## PRESIDENT'S MESSAGE

*This year of celebrations continues with the second major event being the Solo and Party Australian Championships.*

*It is fitting that we should have with us at this time, over fifty Interstate Bandsmen who are some of the finest soloists in Australia, coming from Queensland, New South Wales, and Victoria, to compete against our own instrumentalists.*

*The outstanding feature of these competitions is the number of junior competitors both boys and girls from Interstate, Country and City who are under the age of eighteen years.*

*This fact alone proves the success of our five-year Development Plan, when we recall that in 1963 when the last Australian Championships were held in South Australia we had only 25 entries in the Junior Sections as compared with 120 on this occasion.*

*Our Development Programme has included both Senior and Junior banding and our policy of decentralisation has done much to assist and stimulate interest in country areas.*

*Carnivals have been conducted successfully at Port Augusta, Whyalla, Port Pirie, Mount Gambier, Waikerie, and the State Championships have been centred at Tanunda, and all of these contests have had an impact on the growth of our movement.*

*We are particularly pleased that the Kensington and Norwood City Band won the "A" Grade Australian Championships at Ballarat last year, which further shows the high musical standard we have achieved in this State.*

*It is with pride and gratitude that we review the progress of the past five years, and we believe that the image of banding in this State has improved immensely, and that the public of South Australia now has a greater appreciation of brass band work as a result.*

*I must pay tribute to the State Parliament, Civic Authorities, Education Department, Press, Radio, T.V., and all those members of our movement in both City and Country areas who have contributed so much to the success of our first Five-Year Plan.*

*My best wishes to all competitors.*

C. F. SORRELL, President.
