A PERSONAL MESSAGE FROM THE 'LIFE. BE IN IT' CHIEF EXECUTIVE, DR IAN BENNETT

'Life. Be in it', in conjunction with VicHealth, is delighted to be sponsoring the Australian National Band Championships. We believe the only thing better than listening to music is making music. That is what these championships are all about.

I'm afraid the 'Life. Be in it' anti-hero — Norm — still hasn't realised the full benefits of getting out of the armchair and being involved. We're thinking of cutting the power cord to his stereo in two so he HAS to have a go!

These championships bring together the very best in brass and concert bands and it's great to know so many people are involved in this activity. Making music is healthy — it gets you out of your seat, it keeps you active and most of all it's **fun**.

Being involved in a band is a way of improving your musical skills and participating — and most importantly, it keeps live music alive.

There is too much armchair participation in the area of music — we want to see more Australians keeping active and being tuneful.

'Life. Be in it', together with VicHealth, hopes you have a great time at these championships and we congratulate all participants — you're all winners for getting this far.

Best wishes to everyone involved.

Yours in stereo,

Cr. Jack Williams, J.P.

MESSAGE FROM THE PRESIDENT OF THE NATIONAL BAND COUNCIL OF AUSTRALIA Mr. R. K. (Keith) Golding.

Each year the Australian National Band Championships have a special significance in Australian Banding. Each state has its own yearly championships and welcomes competing bands from other states, but the Nationals are the big ones and all states look forward to their turn to conduct the Nationals.

In these days of financial constraints it is always very difficult for the host state to attract suitable sponsors, Victoria have been fortunate and on behalf of the entire banding fraternity of Australia I express our thanks to the Victorian Health Promotion Foundation for getting behind this event and ensuring its success by their most generous sponsorship.

I also offer our thanks to Boosey & Hawkes (Australia). They have supported these championships for many years and their continued

support is appreciated by all in the Australian movement.

In a world of rapidly changing musical moods and patterns, it is refreshing to know that Banding has endured and that at these Championships, we will have the opportunity to enjoy the continuing development of this truly community based art form. Music that is equally at home in the local parks or the concert halls of the world.

MESSAGE FROM THE PRESIDENT OF THE VICTORIAN BANDS' LEAGUE INC. Mr. Ronald J. Jarrett.

As President of the Victorian Bands' League Inc. I welcome all Bands, Musicians and visitors to Melbourne, for the 1990 Australian National Band Championships. It is five years since it was our privilege to host these Championships.

We believe that the facilities provided for all competitions will enable fair and keen competition.

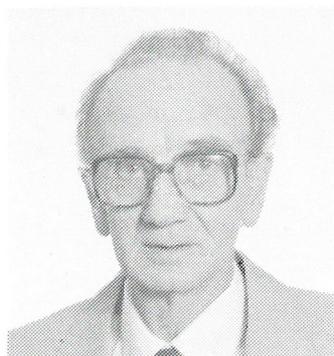

Our Major Funding for this event has come from the Victorian Health Promotion Foundation with the Health Message from the 'Life. Be in it.' campaign.

Boosey and Hawkes (Australia) Pty Ltd. have once again given their financial support to the Nationals.

A new innovation for Victoria is the many personal, band and commercial sponsors for the minor band events and the solo and quartet sections. I take this opportunity to thank all of these minor sponsors, who, by their generous support should enable these championships to be a financial success.

The Contest Committee have been most diligent in their endeavours to ensure that all bandpersons, adjudicators and supporters have a most enjoyable, healthy and successful weekend.

PERCY CODE

Excerpts: by Sigmund Leon Sokolowski. Dip. A. Grad. Dip. Mus. M.Mus. (Prel.)

From, M.Mus. Thesis, University of Melbourne, November 1989.

July the 3rd 1988, was the one hundredth anniversary of the birth of Percy Code at Albert Park, in South Melbourne. This occasion went unnoticed by the press and media, and particularly the Australian Broadcasting Commission, to whom this man dedicated most of his life. He also played a significant role, in the establishment of the A.B.C. Melbourne Symphony Orchestra, and the Sydney Symphony Orchestra.

Percy Code was a great Australian, diligent towards his work and music, and surpassed most others in ability and achievement in this country. He shone brightly in the areas of conducting, instrumental performance, composition and organization. To the Australian Band Movement he exists as a legend today, and deservedly so. His contribution in the development of brass playing in Australia, is evident throughout this country. He excelled in this field as an instrumental soloist, tutor, conductor, composer and adjudicator.

Percy Code, established himself as a leader in many different fields, in the development of the Australian music industry. He was a main instigator and pioneer, in the establishment of permanent orchestras under the Australian Broadcasting Commission network, particularly the M.S.O., and the S.S.O. He also played a large part, with the development of the Queensland Symphony Orchestra, and the West Australian Symphony Orchestra.

His extraordinary instrumental achievements, stood out throughout his career, along with his great performances at the major championships and competitions. His recognition in Europe and the United States of America, was quite unique at the time. During Code's San Francisco Symphony Orchestra period, he was acknowledged by the great conductor Toscanini, as being the best trumpeter in the world that he had heard.

Code set new standards in this country. He inspired many musicians and performers, especially in the flourishing band movement around the turn of this century. Because of his tremendous success at the South Street Competitions where he had won the E flat, B flat cornet and the Flugelhorn championships in the same year, rules were changed as to the competitors being able to enter only in the one section, and only one instrument per year thereafter.

Percy Code's compositions became standard works to gauge and examine levels of proficiency, particularly on brass instruments. His Tutor for Trumpet and Cornet, which he wrote and published, became part of many instrumentalists daily systematic practice routine, and is still used today. Since the time of publication, his solos compositions have become standard repertoire amongst musicians.

For many years Code was also an adjudicator, in brass band contests in all States of the Commonwealth including South Street and the big Sydney contest. He also adjudicated in New Zealand. He was for some time senior military bandmaster in Victoria, and a member of the Music Advisory Board of the old Victorian Band Association. Percy Code and Percy Granger, at one time were the only two Australians mentioned and recognised in the "American Musical Who's Who".

W. J. (Billy) PHILPOTT

William John (Billy) Philpott was born in Auckland, New Zealand on 24th June 1886. Of musical stock (his father W. G. Philpott was present at the first Intercolonial Band competition in 1896), W. J. made his mark on the Australian band scene as a noted cornet soloist and conductor.

He made his first contest appearance at the age of 13 years. There are few bandpersons in Australia who have not heard of the Philpott family, or who had not had some contact with Bill. He began his conducting career at 19 years of age at Coraki, NSW, (he was later to dedicate a march to this town), and thus began an unrivalled life of music. In his playing days Bill moved from Prahran City Band (then under the famed E. T. Code), moving to St Kilda City, Wagga Wagga City, Young Town, Benalla Citizens and Wonthaggi Union bands.

As a conductor Bill took his gentle good humour to several bands, and naturally the family followed. The most notable bands were Wonthaggi Union, Stawell Town, South Melbourne City and the famous Malvern Tramways, now Malvern Municipal.

Bill's musical knowledge was not limited to brass bands, he had a passion for choirs and orchestras also. This musical talent was shared with his brothers, two sons Harry and Horrie and the family tradition is now carried on by his grandson Howard.

Bands that Bill was connected with just seemed to achieve competition successes. South Melbourne City achieved high accolades before Bill decided to begin his long association with Malvern. The hard work done by teaching youngsters and laying the foundations of a championship band was realised by his son Harry who took over the Malvern band when Bill was forced to retire through ill health.

The talents of one man were realised by two: his sons Harry Philpott, one of the country's leading conductors (his record of 6 consecutive Victorian Championship wins, remains unbroken to this day), and Horrie Philpott one of the finest trombone players this country has heard.

A third member of Bill's family, his daughter Margaret, is an accomplished pianist.

It is with great pleasure that the Philpott family have sponsored the A Grade Hymn section of this year's Australian National Band Championships as a tribute to the genius of this man.

CITY OF MOORABBIN JUNIOR BAND:

Originally formed in 1938, the Moorabbin Junior Band has enjoyed a long history, giving local children an opportunity to learn and develop their musical abilities.

Since its present conductor, Susan Gilham, assumed the position of Musical Director the band has gone from strength to strength, with its membership growing to its present number of 34 young musicians representing fifteen local schools, their ages range from 9 to 18 years with an average of 14 years.

In 1988 the band commenced regular contesting, entering four contests and gaining a first place in the novice section of the Victorian Junior Championships, in 1989 the band was promoted to Junior B grade and again took out first place at the Victorian Junior Championships.

The band has also formed an 'all brass stage band' which was placed second in the novice section at the 1989 Junior Championships.

The conductor, Susan Gilham began playing Trumpet in 1978, at the age of 12, with the Moorabbin Junior Band, under the baton of Colin Stephens. During October of the same year she was promoted to the senior band to play cornet, until 1981 when she changed to Flugel Horn.

Susan studied under the late Mervyn Simpson at the Victorian College of the Arts and then went on to the Melbourne College of Advanced Education to study for a Bachelor of Education. She changed to French Horn in 1986 and graduated from the MCAE two years later.

Sue commenced direction of the Moorabbin Junior Band in 1984 and under her direction the band gained a number of placings at competitions, culminating in its becoming Victorian Junior B Grade Champions in 1989. Sue's other interests are softball, snorkelling and collecting teddy bears.

DUBBO DISTRICT BAND:

Records indicate that a band was in operation in Dubbo in 1885 and has been continued apart from World War breaks, since that time. Like many country towns in the mid 20's and 30's a second band flourished in Dubbo until World War II. Regrouped after the war a single band has served the town and district.

During the mid 50's Vern Traeger was largely instrumental in the band progressing and entering the contesting arena. The band staged the 1961 and 1966 National Band Championships, both very successful ventures, with Dubbo winning the '61 D Grade title. The band continued contesting as a C Grade unit until 1985 when they were regraded to D Grade.

The band has had their lean times, when changes in bandmaster occur the few keen senior players keep the flag flying until a new appointment is made. Dubbo is very fortunate to have a small group of such members, namely Mal White, Noel and Lyle Lockington, Rob McLean and Keith Stewart who have each given long and valuable service to the band and are still active members and playing at this contest.

A non-playing member who has given many years to the band is Lawson Slapp. These are the people that make banding worthwhile. As with many country bands the young players complete their schooling and then leave the town to continue their studies or careers so constant teaching is an integral part of banding. The most active period for the band was when Denis O'Hearn was bandmaster, from 1970 to 1981. During these years the band contested regularly, including trips to New Zealand, Queensland and many N.S.W. areas with varying success.

The current bandmaster, Cobber Burnett was active with the band in the 50's and early 60's and returned in '87. Cobber has also been a successful soloist winning many titles including the National Soprano Cornet Championship in 1972. He was also Secretary of the N.S.W. Band Association for a number of years.

WILLOUGHBY:

Willoughby Band was formed in 1962 with a small nucleus of players by Reg Bishop and was originally known as the Chatswood District Band. They quickly expanded with young players to reach B grade in 1970 when Peter Walmsley was appointed Musical Director.

After a period of settling the band won the National B grade title at Hobart in 1974 and later that year won the N.S.W. A grade title. Since that time the band has put together a string of wins at state and national level. From 1974 Willoughby has won the National A grade title on 4 occasions and the N.S.W. title 14 times.

Willoughby also has a very strong Junior band who have put together a string of wins at national and state level, since 1974 they have won the National Junior title 11 times, the last 6 in succession and 14 State titles.

As a Marching combination they have also won the National Championships 3 years in succession, '85-7 with Greg Doyle as Drum Major.

Peter Walmsley their Musical Director has had an illustrious musical career commencing with the Barrier Industrial Union Band in 1955 on Tenor Horn and was principal cornet with B.I.U. when they won the National titles in 1961 and 63. He has won many major titles as a soloist including the National Champion of Champions, (the first occasion at the age of 15, the youngest to date). During this time he studied piano to diploma standard with Lance Dossor at the Elder Conservatorium in Adelaide.

In 1965 Peter moved to Melbourne and studied Trumpet under the late Mervyn Simpson and had a time as the conductor of Footscray Yarraville City Band.

Continued next page

In 1967 he was appointed to the Trumpet section of the Sydney Symphony Orchestra, a position he still holds. As well as orchestral work he has also performed as a soloist, directed and played in many brass ensembles, orchestras and choirs.

Teaching brass has occupied much of the past 20 years and a number of his former students hold professional positions in the major Australian Orchestras. Apart from his involvement with Willoughby he is also Director of Bands at Barker College where he has 3 concert bands, a brass band and 2 stage bands, in addition to this he is also director of school bands at Sydney's North Shore at Artarmon, Wahroonga and Warrawee.

As an adjudicator Peter has officiated at all major contests in every state of Australia and in New Zealand, he is a member of the Band Association of N.S.W Music Advisory Board and senior brass tutor at the Pan Pacific Music Camps.

This year, 1990, he has been appointed as Musical Director of the N.S.W State Youth Band who will tour N.S.W. in July.

NEWCASTLE POLICE AND CITIZENS YOUTH CLUB:

From very humble beginnings in 1959 under the guidance of a dedicated musician in Mr Frank Simm OAM whose courage and caring for young people to have the chance to learn and enjoy music, built a tradition of excellence in all things recognised throughout the Brass band world.

Many young players have passed through this tuition and gone on to outstanding professional careers. How proud we are of them.

In the beginning having to beg and scrounge for instruments they now have the privilege of all first class instruments and proudly wear a fine distinctive uniform, not without many years of hard work.

A much travelled band, both Frank and Mrs. Dora Simm, who has been Secretary, organiser over the years, recognised the importance of giving not only a sound musical education but the opportunity of travel not otherwise available to most children.

With an outstanding success record, always within the first 3 placings, the band has competed in all states except W.A., Canberra, New Zealand, Britain and Switzerland. Presenting extensive Concert Tours and T.V., A.B.C., B.B.C. programmes as well as Hospital and Geriatric Homes with many Street and Display Marches. Frank Simm handed over the baton in 1980 to a pupil, John Kellaway who continued with this success pattern until 1989 and now a new era commences with a very young crew under the baton of Stephen Walter a fine young musician who has great plans for future successes with the band.

Although failing in health Frank Simm who is in his 79th year he is still vitally concerned and interested in the opportunity for young people to have a chance to learn music and still keeps in touch with happenings throughout the brass band world.

JAMES STANLEY GLENTHORPE PRIOR 'MOST DURABLE BRASS BANDSMAN'

Photo Courtesy 'Roger Burns'
Dandenong Examiner

Stan Prior was born at South Melbourne on 19th July 1890 and commenced his musical career as a Tenor Horn player with the South Melbourne Band at the age of 14 years and over the years has not limited his musical talents to brass bands, he has also played Cello and String Bass in orchestral groups and sung in choirs.

A printer by trade Stan also turned his hand to farming in the Nar Nar Goon, Victoria, area for many years. Since retiring from active work in 1982 at the age of 92 Stan has been very active in entertainments at Senior Citizen Clubs. Stan is still a playing member of the City of Dandenong Band, attending rehearsals and performances more regularly than some of the younger members of the band. He joined Dandenong Band in 1965 when it was known as the Dandenong Citizens & RSL Band under the baton of the late Edgar Hill. Since that time he has been a member of several successful Dandenong Bands, namely

in 1979 when they won the A grade section of the Victorian Winter Championships and again in 1985 he was a member of the band that won the Australian B grade championship in Melbourne.

In recognition of his services to banding Stan was awarded the Victorian Bands' League's 'Badge of Merit' in 1979, at this time it was the highest honour that could be bestowed on any bandsman. He is also a 'Life Member' of the City of Dandenong Band and has received his 'Long Service Award'.

Stan's contribution to the community has been recognised twice by the City of Dandenong Municipal Council, firstly he was presented with an 'Illuminated Address and City Tie, with Crest' and then on 5th June 1988 the City honoured him again when they opened a new Sound Shell in Dandenong Park and named it the 'STAN PRIOR SOUND SHELL'.

In 1988 Stan received recognition for his long service to banding when an entry was gained in the Guinness Book of Records under the heading of "WORLD'S MOST DURABLE BANDSMAN".

Stan is now quite used to being in the limelight, he was featured in a Television program 'Just For The Record' in 1988 and has featured in many activities since that time. Only recently Stan took his first 'Hot Air Balloon' ride over Melbourne at a time when most people many years his junior would still be in bed — 6.00 am.

In his 'younger' days Stan was also a very keen cricketer, at one time he captained a 'Country Week' team and decided it was time to retire when he reached 70, not runs but years of age.

In recognition of Stan's many years of service to banding, and in particular to the City of Dandenong Band the band has sponsored the B grade HYMN section of this contest.

Fred Hodgkinson spearheaded the re-formation of the band and invited Jack Lusted to come from N.S.W. to become the Musical Director, Jack is still very active with the band as its Musical Director.

Jack has contributed to the development of the band over the past thirty two years, lifting the band through various grades to B grade, the band is the current Australian B Grade Champions and will be defending the title at these championships.

The band is also an excellent Marching unit and under Drum Major Ivan Johnston has won numerous State titles and it is through Ivan's dedication that the band is Australia's top 'B' grade marching band.

DRILL ADJUDICATORS

Mr. Stephen Leader. N.Z. Chief Drill Adjudicator.

Stephen Leader comes to us from New Zealand with a wealth of experience and a string of contest successes with the Skellerup Woolston Band. Stephen was Drum Major of Skellrup from 1975 to 1985 when he led them to victory eight times at National Championships as well as at the Edinburgh Festival Contest. At the 1980 Australian Nationals at Mount Gambier he not only led Skellerup to a clear win but also won the Champion Drum Major award.

He was Drum Major for four New Zealand National Youth Bands which led to him being selected as the Drum Major for the 1985 New Zealand National Band which won the Championship at the Kerkrade Contest.

From 1986 to 1988 he devoted more time to adjudicating and coaching and strengthening the ties between Australia and New Zealand by conducting marching seminars in New South Wales and Victoria.

In May 1989 he returned to Skellerup Woolston and led them to a clean sweep of the marching events at the New Zealand National Championships.

Mr. Lance Little. Vic.

Lance accepted his first appointment as a Drum Major in 1945 and has been leading and instructing Brass and Pipe Bands since that year.

During the past 25 years Lance has been Drum Major of the Ararat City Band and has led that band to many successes at National and State level, including the 1973 Nationals at Tanunda when he won the Most Efficient Drum Major Title.

As a Drill Adjudicator Lance has officiated at many contests throughout Australia, including the Nationals of 1985, Melbourne, 1986 Adelaide and 1987 Launceston.

Mr. Ross Heinze. S.A.

Ross commenced his banding 1951 as a percussionist with Marananga Brass Band, in the Barossa Valley, South Australia. He was transferred in his employment in 1973 to Stawell, Victoria, where he joined the local band as percussionist and was appointed as Drum Major of Stawell Municipal Band in 1974.

He was later transferred back to South Australia by his employer and re-joined the Marananga Brass Band and was appointed as their Drum Major in 1983. This band has had considerable success in drill and marching competitions, being judged the best Marching Band at the South Australian State Championships in 1987.

Ross was elected to the Executive of the S.A.B.A. in 1982 and is currently its President, being elected to this position in 1985. He is also Chairman of the S.A.B.A. Drill Advisory Panel and a Registered Drill Adjudicator with that body. He has adjudicated at local and State Competitions and more recently being appointed to the panel of adjudicators for the 1988 and 1989 National Championships.

Ross has been the South Australian Delegate to the National Band Council since 1984 and a member of the Drill Panel which reviewed the Drill and Marching Regulations and developed the revised Drill and Marching Manual.

Mr. Geoff Hall. Vic.

Geoff has been President of the Brunswick City Band since 1976 and its Drum Major since 1972, is a past member of the Victorian Bands' League Executive Council and was appointed as a Registered Drill Adjudicator in 1985.

He has trained and led several Victorian Bands at both National and State level, at National Championships he has appeared at Ballarat, Burnie, Adelaide and Ipswich. He was serving with the 27th Battalion South Australian Scottish Regiment at the commencement of World War II and then joined the RAAF in 1940 serving in Darwin and overseas until the end of hostilities.

Geoff is at present heading a committee to organise celebrations for Brunswick City Band's Centenary celebrations this year.

BALWYN YOUTH CONCERT BAND JENNY MEACHEM.

The Balwyn Youth Concert Band was formed in 1981 by the Balwyn Rotary Club and many interested parents who recognised that there was a need for a group in their area to cater for the many young people learning music in the education system.

The inaugural conductor of the band was Graeme Lyall, a well known professional musician who saw the band through its formative years to a successful contesting A grade band.

Another well known musician George Logie-Smith conducted the band during the period covering the 1985 Nationals in Melbourne.

A young musician in Colin Harris took up the baton at Balwyn and led both their Senior and Junior bands to State Championships in 1987.

In July 1989 Jenny Meachem was appointed as Musical Director. Jenny commenced her musical career on Clarinet at the age of 11 years and then joined the Croydon Concert Band in 1975. When the Balwyn Youth Concert was formed in 1981 Jenny joined as principal clarinet.

Jenny studied at the Victorian College of the Arts, majoring in Clarinet and is currently undertaking a course in Education Studies at the Melbourne University Institute of Education.

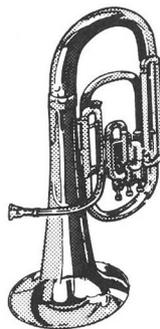

Jenny has played under, and learnt much from many prominent wind ensemble conductors, some of whom have been Michael Pyne, George Logie-Smith, Barry Bignell and Ron Mitchell, all of whom have provided a very broad understanding of repertoire.

She is currently employed at Wesley College, Prahran campus, where she founded, developed and directed the Middle School Concert Band over a period of 4 years, this band has been successful in school grade contests.

Life. Be in it. wants you . . .

. . .to be aware of tackling a physically strenuous exercise routine straight away. Activities like squash and fast aerobics need to be “eased” into. How about exercising to the music of your choice, where you can work out at your own pace. You’ll feel a lot more in control!
