## Welcome from the Governor of Western Australia

It is my great pleasure to welcome you to the 2013 Yamaha National Band Championships, to be held in Perth over the Easter weekend. To competitors and supporters visiting from interstate and overseas, perhaps for the first time, a special welcome to Western Australia. This year, 18 bands will be visiting Perth from interstate. A record number of 23 WA bands will also be competing, including many country WA bands. Travelling considerable distances to Perth for the weekend's events. A total of approximately 2000 musicians - solo and ensemble - will be competing.

I wish all competitors well. I have no doubt that their many hours of preparation will produce performances of the highest level, and will make the task of the internationally recognised adjudicator exceedingly difficult.

As a break from the competition, the March and Parade of Bands is to be staged on Easter Saturday, in Northbridge. What a great treat for the people of Perth!

Congratulations to the members of the 2013 Nationals Organising Committee for their tireless work over the last 3 years, in preparing for the event and making it possible. Thanks also to the many volunteers, who will be helping make the competition run smoothly. There could be no competition without you.

Sincere best wishes for a successful and enjoyable weekend of music, camaraderie and friendly competition. I hope that visitors to this State will "spread the word" about its many attractions and the friendliness of its people.

His Excellency Malcolm McCusker AC CVO QC  
Governor of Western Australia  
Patron - West Australian Band Association

## Message from the President of the National Band Council of Australia - Dr Kevin Cameron

On behalf of the Executive and Councillors of the National Band Council of Australia, I would like to extend a warm welcome to all performers, friends, and supporters of banding to Perth for the 2013 Australian National Band Championships. This year's event, held in the beautiful surrounds of the University of Western Australia and the exciting precinct of Northbridge, is the first National contest to be held in Western Australia since 1979. This represents a significant achievement for the West Australian Band Association and I trust that interstate visitors and local bandspeople alike will enjoy a wonderful banding experience.

I would like to extend a special welcome to our team of highly qualified and experienced international adjudicators Richard Evans and Dr Rob McWilliams, and also our team of experienced and well-regarded Australian colleagues working with them.

The staging of the National contest in Perth has presented special challenges for participants. The trip to the West has required significant organisation and resources and I am delighted to note a very pleasing number of participants in both the band and solo events who have met these challenges successfully. Well done! The Nationals in Perth will no doubt feature wonderful performances and great times, both on the stage and away from it. Old rivalries will be stirred, friendships renewed, and history made. These aspects make the Nationals one of the most important and well-loved events on Australia's annual banding calendar.

I would like to extend grateful thanks and congratulations to the West Australian Band Association and the 2013 Nationals Organising Committee for undertaking the considerable task of arranging this contest. The contribution of volunteers in time, expertise, and goodwill is the key basic ingredient of banding and has again produced a marvellous result. I would also like to record grateful thanks to Yamaha Australia and the many sponsors and in-kind supporters who have so generously assisted in providing the necessary resources to stage this contest. To all those who have contributed both in the long preparation and throughout the course of the weekend – thank you.

This National contest will be the last of my term as President of the National Band Council of Australia. It has been my pleasure and privilege to serve in this important role during the past four years, and I would like to thank my many friends and colleagues who have supported and encouraged me during my time in the Chair. I extend best wishes for the future.

Thank you for supporting the Nationals in Perth, 2013. I hope that your time in the West this Easter is both enjoyable and memorable.

With best fraternal wishes,

Dr Kevin Cameron  
President, National Band Council of Australia

## Message from the President of the Western Australian Band Association Inc. - Tony Schraven

On behalf of my fantastic team here in Western Australia, I would like to extend a very warm welcome to all musicians and visitors to Perth for the 2013 Yamaha National Band Championships.

It has been a long time since Perth hosted this event and I am extremely pleased that you have all chosen to travel to our great state. I hope you are able to take a bit of extra time to have a look around and enjoy what is on offer.

I would like to take this opportunity to thank all our sponsors, especially Yamaha and UWA. Without your generous assistance this event would not be the success that it will be. I thank the great team from the Western Australian Band Association and the Nationals Organising Committee for the enormous amount of work they have done over the last three years to make this event successfully come to Perth. I also thank the many volunteers you will see across the weekend as they guide you around the University to the various auditoriums and exhibits. My thanks also go to the members of the National Band Council of Australia for their help and direction, as Perth has not held the Championships since 1979.

To all the competitors, I wish you all the best of luck in the various parts on the competition, and I hope you thoroughly enjoy your time in Western Australia.

Tony Schraven.  
President - Western Australian Band Association Inc.

## Message from University of Western Australia - Vice Chancellor Professor Paul Johnson

I am delighted to welcome so many musicians and visitors from around the country to The University of Western Australia.

In our role as a contributor to community life and music education in our State, we are very happy to support the WA Band Association in bringing this important event to Perth for the first time in decades. We look forward with anticipation to your performances, which represent the culmination of months of work and rehearsal for you as well as being an attractive addition to UWA's concert calendar.

We are also delighted to be able to showcase UWA at a particularly exciting time. Not only is 2013 the University's Centenary year, but we are also celebrating our recent recognition as one of the world's top 100 universities. UWA is justly proud of its heritage and its international reputation for excellence. I hope that you will get a sense of this excitement as you enjoy our performance venues, explore our beautiful garden campus and look at information about the educational opportunities we offer.

I wish all performers good luck in the championships and an enjoyable visit to Perth, and I would like to think that some of you may be inspired by this experience to return one day to The University of Western Australia as students.

Professor Paul Johnson

## Adjudicators

### Chief Adjudicator, Brass Bands - Richard Evans

Richard Evans is one of the most colourful and flamboyant characters on the British brass band scene today. With a unique ability to instill pride and passion into every player, he is ultimately the driving force behind each band he conducts.

Born in Aldershot, the son of a regular soldier, he spent his first two years of life in India. On return to England, the family moved to Preston, Lancashire. It was in nearby Leyland that he was introduced to the cornet with the British Legion Band. Within three years Richard was one of the founder members of the National Youth Brass Band, becoming principal cornet under the direction of the late, great Harry Mortimer, OBE, CBE.

Leaving his first band, he moved to the Leyland Motors Band (the original forerunner of the now Leyland Band) and studied under founding fathers Harold Moss and William Haydock. National Service took Richard to Berlin, and on return to civilian life, he spent two years with the Black Dyke Mills Band.

However, it was in the art of conducting that Richard was to carve a brilliant career. Upon graduation from the Royal Northern School of Music, he began full time teaching and worked as a freelance trumpet player with the BBC Northern Symphony Orchestra, the Manchester Mozart Orchestra, Syd Lawrence, and many other famous ensembles.

During this period his conducting skills were being perfected in a vast theatre of experience, including brass bands, choral societies, and the directions of opera. 1975 was to provide the milestone in Richard's career that would take him to the very top of his profession.

While conducting Wigan Cecilian Choral Society, he was asked to audition for the position of Musical Director with the Wingates Temperance Band. He accepted the position and within three months he had won the British Open Championships at his very first attempt! 1976 saw him moving to the Fairey Engineering Band, continuing to gain a reputation for flair and innovative musical direction to the highest standard. At the beginning of 1978, Richard was recruited to rebuild the Leyland Vehicles Band with the specific remit of achieving Championship status within three years. The band made history with their meteoric rise through the brass band super league and their name changes, Leyland DAF, BNFL, JJB Sports Leyland Band, and finally Leyland Band.

In 2004, after working as a freelance conductor with Fodens Band and Yorkshire Building Society Band, he accepted the position of resident musical director of Grimethorpe Colliery (UK Coal) Band, until July 2006, and in 2005 his autobiography 'Dick the Stick' was published. He now has strong connections with the world famous Brighouse & Rastrick Band as Associate Conductor but most of his work is as a freelance director. He has recently been appointed Visiting Professor of Brass to Sensoku Gakuen College of Music, Tokyo. Richard's prowess as conductor, teacher, adjudicator and movement leader was rewarded in 1986 when he was the recipient of the J. Henry Iles Medal presented by the Worshipful Company of Musicians of the City of London.

He has worked with bands all over the world, Japan, USA, New Zealand, Norway, Switzerland, Holland, Belgium and Denmark. He proudly holds the post of Musical Director of the National Youth Brass Band of Scotland. Although Richard Evans has reached the pinnacle of his success, he is not content to rest with past achievements.

His personal quest is to provide foundations for the continual growth of the British brass band culture through his BA (Hons) course in Band Studies at Accrington & Rossendale College, which sadly was closed by the college in December 2006. He remains one of the most charismatic and dynamic conductors within Britain today.

Ed also played in big-bands and jazz bands prior to migrating to Perth in 1973. Arriving in Perth in 1973, he was very busy recording for TV shows, backing international artists at the Concert Hall and Entertainment centre. He was lead trumpet with the Will Upson Big Band from 1973 to 1983. In 1978 Ed was appointed 3<sup>rd</sup> trumpet in the West Australian Symphony Orchestra and remained with the orchestra for 22 years and was also a member of the orchestra's brass quintet, performing regularly around the State and recording for National broadcast. In 1979, Ed was appointed MD of Stirling City Brass Band (now RASWA Brass). He held the position through various name changes for 22 years and is the only conductor to win the State championship 22 years in a row - an Australian record. Ed was also WA Cornet Champion and Champion Of Champions in the early 1980s.

## Beginner's Guide to Banding

Playing in festivals and contests is a huge part of the brass and concert band world. You are witnessing a National Band Championships - most of the bands performing for you here have already excelled in their home state. Doing well - or winning - a 'Nationals' is the ultimate aim for any committed band member.

### Brass Bands

All brass bands competing in the Nationals have to perform three times over the weekend. On Friday, they play the test piece for their grade and a hymn of their choosing. On Saturday, they take part in the street parade in Northbridge. And, finally, on Sunday they perform a large-scale work ('Own Choice') and a march - both of their own choosing. The Friday sessions are very interesting because each band in a grade plays the same test piece.

### Concert Bands

Concert bands - which include woodwind as well as brass instruments - play at least once during the weekend. On Saturday, they perform an on-stage program which consists on a mandated test piece (as in the case of brass bands) plus a hymn, march and large-scale piece of their choosing ('own choice'). Concert bands are welcome to take part in Saturday morning's street parade, although this is not compulsory.

### Solos and Ensembles

Soloists and groups of musicians perform in their sections on Monday. All performers have to be an active member of a registered brass or concert band. The winner of each solo section has the option to perform yet again - for the coveted title of Champion of Champions.

### Judging

All music performed is given a mark by an adjudicator, for accuracy and interpretation. The adjudicator can't see the performers - this is a tradition from the early days of band championships in England, to avoid corruption! The results are announced soon after each section or, in the case of brass bands, after the March and Own Choice session on Sunday afternoon. There is space in this programme for you to make a note of the results.

Presents

**St Nicolas Concert**

St Nicolas, Benjamin Britten

Sonata for Two Pianos and Percussion Béla Bartók

Celebrating Britten's 100th birthday, the choirs of John Septimus Roe ACS, St Mark's ACS and the Winthrop Singers (UWA) join forces to present this masterful Cantata. Composed for local forces around Britten's home in Sussex, England, the story of St. Nicolas (later transformed into a popular version of Father Christmas) is depicted with music for antiphonal choirs, orchestra, piano duet, organ and tenor soloist. The legend of the three pickled boys, Nicolas' imprisonment and other aspects of the life of the Bishop of Myra is framed by two glorious hymn settings where all choirs and audience alike sing together in Britten's inimitably uplifting fashion. This piece is coupled with Bartok's epic work for two pianos and percussion completed seven years earlier.

Conductor - Chris Van Tuinen

Tenor - Andrew Sutherland

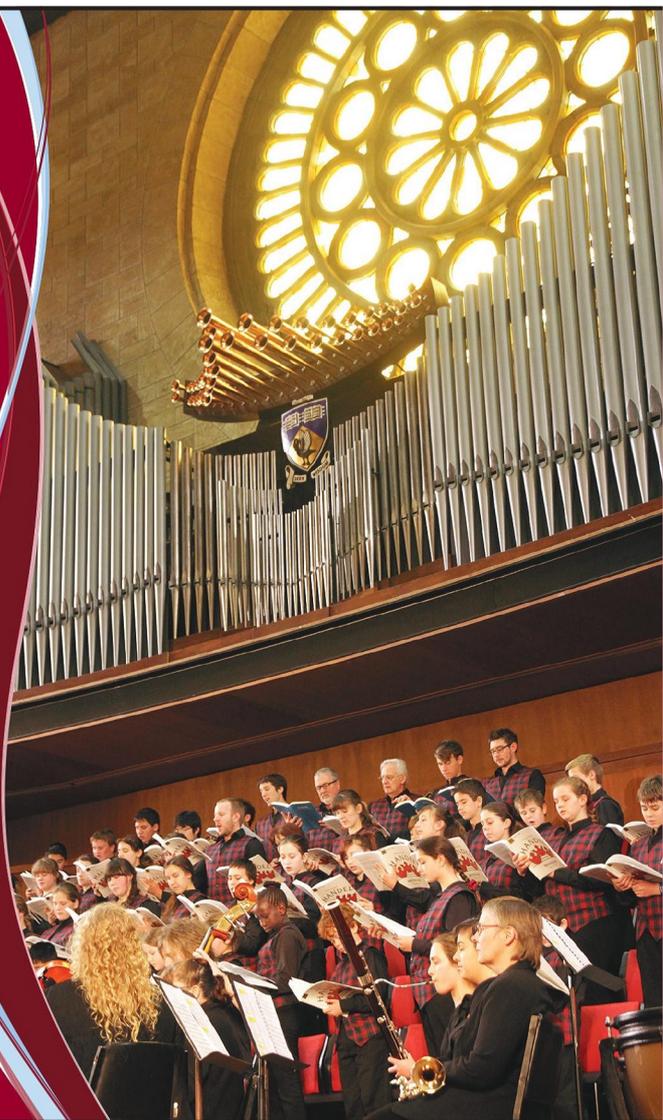

Pianos - Jonathan Bradley, Anna Sleptsova
