**WELCOME MESSAGE FROM THE  
MAYOR, TOWN OF GAWLER**

**Gawler**

29 February 2016

The Town of Gawler is proud to welcome the Yamaha National Band Championships for 2016 to our region over the Easter long weekend.

Gawler was the first country town established in South Australia on 31 January 1839 by Governor George Gawler, a charming country town, nestled between the foothills and three rivers with historic buildings, open spaces and natural beauty.

With a very rich and proud heritage history beginning with the Kaurna People, Gawler has changed significantly in the past 176 years with the community playing a central role in past and future changes.

Gawler is a vibrant, pedestrian, child and youth friendly community which was evident when we recently hosted a very successful Fringe festival.

We are excited to be welcoming bands from across Australia, New Zealand and from around the world and look forward to the grand spectacle of the Street Parade.

We wish organisers, all the bands and soloists who are competing this year much fun and success with the event.

Yours faithfully

**MESSAGE FROM THE PRESIDENT OF THE  
NATIONAL BAND COUNCIL OF AUSTRALIA**

**WILLIAM (BILL) BROUGHTON**

Welcome to the 2016 Australian National Band Championships, South Australia!

The South Australian Band Association has worked earnestly and diligently, on everyone's behalf, to create a venue that will be friendly, accessible and fun to showcase the Australian community of banding.

Immerse yourselves in this wonderful weekend. Look at all the positives. Catch up with old friends, make new friends, enjoy the quality of music being played by all giving their best, learn and be encouraged to work harder and get better and please, don't forget to have fun with it all!

Personally, there is nothing on earth more wonderful as the international music community: the experiences, friendship and memories that can last a lifetime are worth the effort.

On behalf of the NBCA, a great heartfelt thank you and congratulations to SABA for their tremendous commitment in preparing these championships. And to all bands and supporters; we thank you for coming and I wish, for all competitors, the very best they have to offer this wonderful weekend.

## WELCOME MESSAGE FROM THE SOUTH AUSTRALIAN BAND ASSOCIATION

### WELCOME MESSAGE FROM SOUTH AUSTRALIAN BAND ASSOCIATION

On behalf of the Executive and members of the South Australian Band Association, it is our pleasure to welcome you to the 2016 Yamaha National Band Championships in Gawler, South Australia. We are delighted to be welcoming thousands of musicians to Adelaide for our event which this year involves nearly 60 community brass and concert bands and more than 300 soloists and ensembles.

Each year, the Australian National Band Championships, in partnership with the host State Band Association and the National Band Council of Australia, presents opportunities for bands, small ensembles, and soloists to present music to a wide audience for adjudication. The 2016 Championships in Gawler is based on this important tradition, whilst involving community banding in a positive way with the wider public through its selection of venues, the Parade of Bands in the Main Street of Gawler, and other performance opportunities associated with the Championships, with banding in the Street on Saturday afternoon.

In addition to performance, bands people will have opportunities to make new friends and renew old acquaintances while enjoying the beautiful Town of Gawler, the gateway to the Barossa Valley.

We are very thankful for the support of our adjudicators, accompanists, officials and our many sponsors in bringing you this event. We would also like to extend an enormous thank you and well done to the organising committee for working so hard to ensure the best event possible. The time and resources people are willing to donate to make these events run is inspiring, and on behalf of the entire band movement – thank you.

We hope you will enjoy the venues and facilities on offer at Trinity College Gawler and nearby Gawler and that your time with us in Adelaide and South Australia will leave many wonderful memories.

Sincerely,

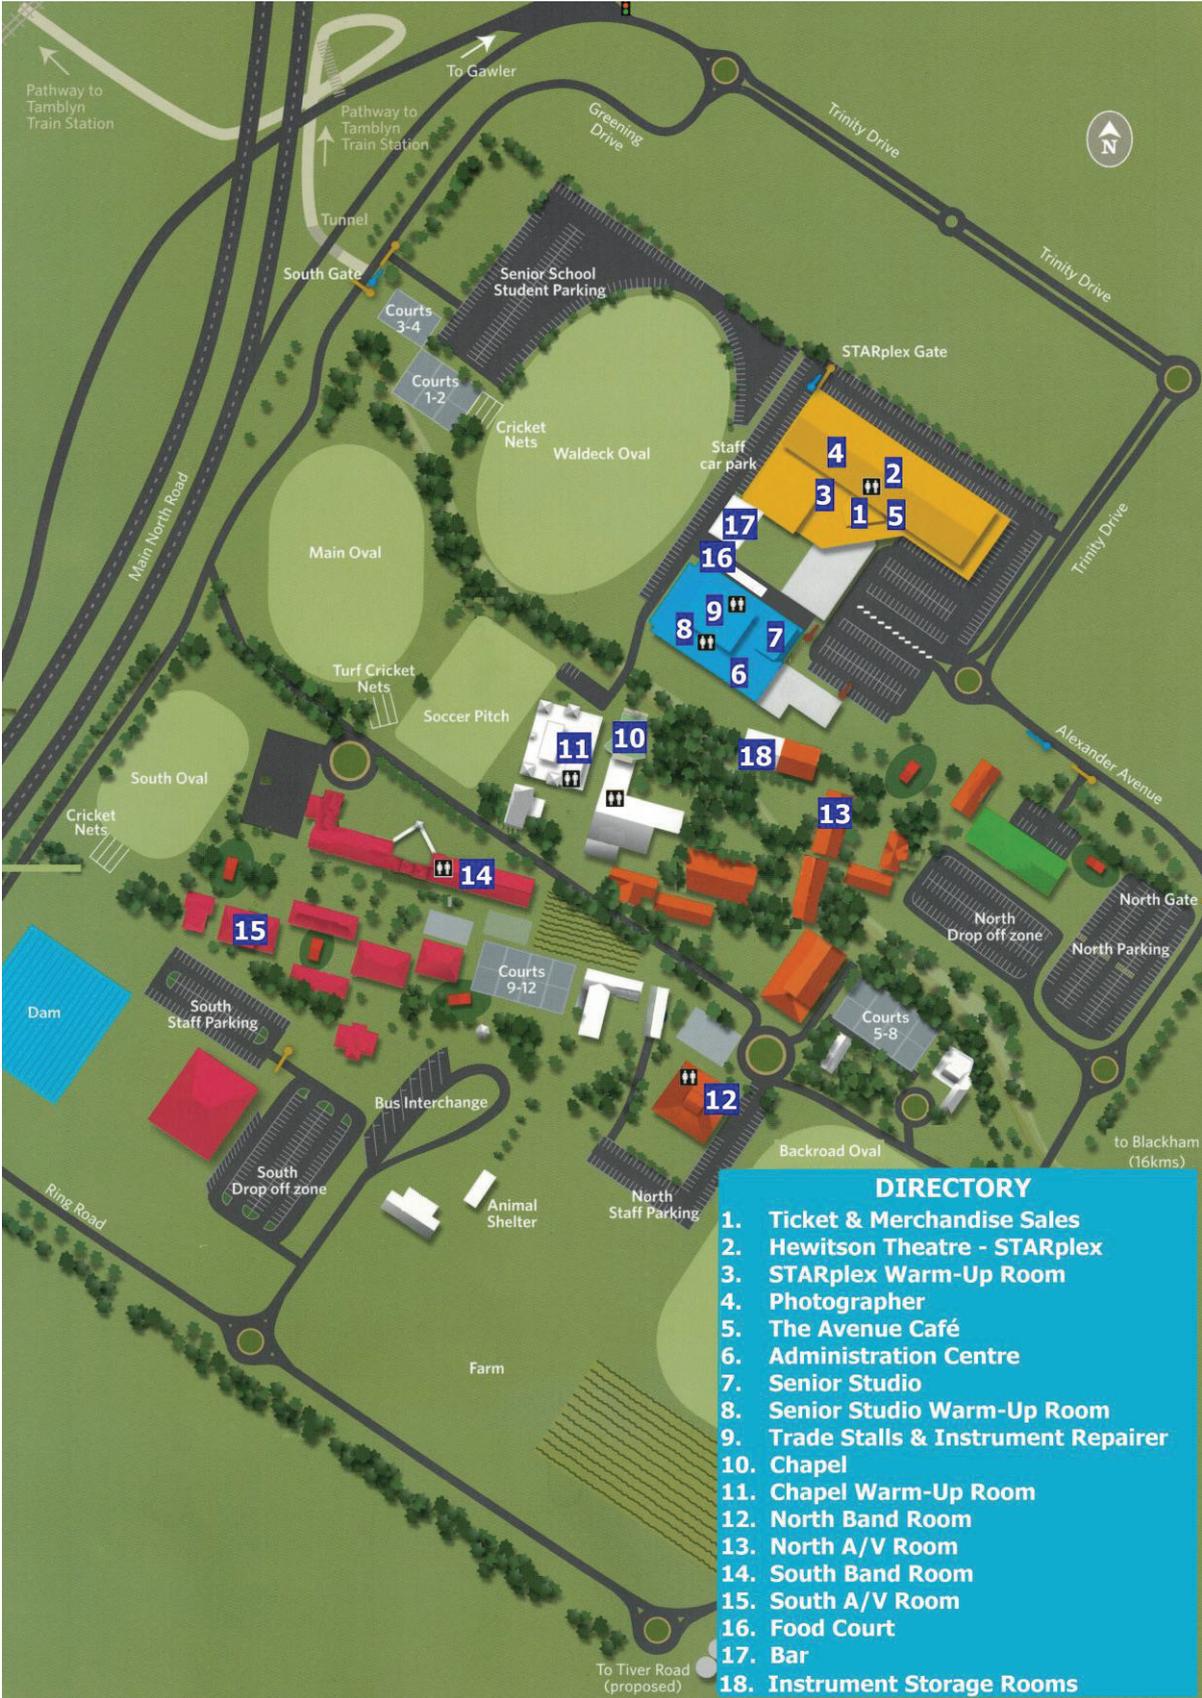

Bronwyn Dolman  
President  
South Australian Band Association

## **MUSIC ADJUDICATORS**

### **CHIEF ADJUDICATOR (BRASS)**

DWAYNE BLOOMFIELD  
New Zealand

Dwayne Bloomfield was born and raised in Timaru where he started learning the Euphonium at 10 years of age with the Timaru Municipal Band. He then went on to join the New Zealand Army Band in 1987.

There have been many highlights with his time in the NZ Army Band including the 1988 Bicentennial Tattoo in Australia, trips to Greece and Crete, Washington DC, Vanuatu, Edinburgh, Gallipoli, Italy and Switzerland.

Dwayne took up conducting the Alpine Energy Timaru Band in 1998, a position he held for 15 years. In this time Timaru was successful at Nationals Competitions with several wins under their belt, promoting them from the C Grade to the B Grade which on their first year promoted won the title of Australian B Grade Champions in Tasmania. For the last 2 years Dwayne successfully took up the role of musical director of the Ascot Invercargill Brass Band.

Dwayne was with the NZ Army Band for 26 years, holding many positions including Bandmaster from 2005 to 2010. Dwayne also developed an interest in arranging and composing and is now internationally known. An interest in New Zealand's military history inspired him to compose the works, "Behold the Narrows from the Hill" based on the battle of Chunuk Bair in Gallipoli, "Passchendaele October 12th 1917" "Lone Pine" for the National Australian Band and recently the "Battle of Gate Pa". Dwayne's recent composition "7.1" is in remembrance of the Christchurch Earthquakes. This thought provoking work includes the use of many bass drums placed around the audience to give a very real effect of the sound and a small vibrating sensation as close as can be replicated to an earthquake.

He also composed the march which was played by the New Zealand Army Band during a procession through the streets of Wellington. Other works include "To the Sky" for the 100th anniversary of Richard Pearce's first flight, "Fernleaf Headstones" a slow march for the New Zealand Unknown Warrior, and "Epiphany" commissioned by the 2007 New Zealand National Band.

Dwayne successfully passed his LRSM in Directing and LTCL in Performance (Euphonium). Since leaving the NZ Army Band he has taken on a career in real estate with Ray White Rolleston.

Dwayne looks forward to taking up the role of Musical Director of Leopards Coachlines Canterbury Brass, and working with the band to great success.

**"Save our Band"**

The Bundaberg Municipal Band may be facing the threat of Disbanding after serving the Bundaberg Community for over 90 years.

Without our hall, the band can no longer exist to support the community. Our old weatherboard hall has been home to the band since it was constructed from funds raised from a major band event in the early 1950's but the redevelopment of the old Showgrounds has

forced a rethink on the future of the building. The Bundaberg Council has agreed to the relocation of the Municipal Band Hall from the old showgrounds site. However, our band is desperately seeking community support and funding to ensure the relocation of our home.
