★
**OUR MAYOR
SAYS:
"WELCOME TO
DUBBO"**

As Mayor of Dubbo I extend a cordial welcome to all bandsmen, officials and visitors who have come to Dubbo to participate in the Australian Brass Band Championships.

The citizens of Dubbo have very happy memories of the 1961 Australian Band Championships, which were held in Dubbo and all visitors may rest assured that everything possible to make their stay comfortable and enjoyable will be done.

I extend the good wishes of the Council and citizens to the Band authorities for a most successful Championship and trust that all visitors will thoroughly enjoy their stay in Dubbo.

K. L. C. DUNLOP,
Mayor.

JOHN MASON
CONGRATULATES
DUBBO BRASS BAND

To all visiting bandsmen, a very sincere welcome to Dubbo and the National Championships.

To the Dubbo Citizens' and District Band, congratulations on your excellent organisation of this important national event.

The Government of New South Wales is very delighted that Dubbo is again the venue for this Australian contest and has shown in a very material way its encouragement to what we consider a most important event in this State.

We are most anxious to see the growth of cultural and artistic activities and to assist in the development of musical gifts and talents.

The community generally is the richer for the efforts of our Brass Bands, who not only provide our civic ceremonies with their essential music and delight us with their concerts, but also are the training school for the generations of future musicians.

One of the grave dangers of our modern industrial-scientific age is that individual gift and talent can fail to be developed in our dependence on mass media. We have far too many onlookers and not enough performers today.

Another modern danger, is to lose sight of the importance of the individual's contribution and I have always considered that Band music has shown us an answer to this for, in the Band every note is important, every instrument has a part to play and the harmonious sound will only be achieved from all playing their part.

So, welcome to Dubbo—may your music continue to be enjoyed for generations.

JOHN M. MASON, M.L.A.
(MEMBER FOR DUBBO)

A MESSAGE FROM THE PRESIDENT OF THE BAND ASSOCIATION OF NEW SOUTH WALES

Once again the Dubbo Citizens' Band Committee has shown initiative in organising The Australian Brass Band Championship Contest. The town of Dubbo, with its civic parks and its geographic situation, is ideally suited for the staging of such a contest; it affords the possibility of attendance by Interstate Bands and a pleasant Easter holiday combined with music for the N.S.W. Bandsmen.

The Executive Committee of the Band Association of N.S.W. congratulates the Dubbo Band and its Organiser for this effort which they know will revitalize the competitive spirit amongst Bandsmen generally, add to their store of musical knowledge and give them the benefit of constructive analysis by an overseas Adjudicator.

The Association knows that this contest will fulfill its purpose in a musical sense and hopes that the support of the citizens of Dubbo and elsewhere at the various sections will ensure the success of the venture financially as a just reward to the organisers for their efforts in staging the competitions.

THOS. E. GAWN.

Dubbo Citizens' and District Band Ladies' Auxiliary who made a generous donation of \$1,000 towards the expenses of this contest.

RULES AND SPECIAL CONDITIONS

- 1.—This contest is being held subject to the contest rules of the Australian Band Council and the Band Association of N.S.W.
- 2.—Bands must compete in both selection contests and Street March in their official grade and may compete in the grade immediately above.
- 3.—Championships for each grade will be decided upon the total music points for both selections—Junior Grade, Own Choice Selection and Hymn.
- 4.—Bands competing in two grades must play different Own Choice Selections.
- 5.—Less than four bands competing in any grade, no third prize money will be allotted.
- 6.—Bands must be placed on stage to formation adopted—Band Contesting Formation No. 2.
- 7.—Secretaries and Conductors of Bands must observe perfect punctuality in assembling to draw for positions at times and places appointed and in placing their Bands upon the Contest stage.
- 8.—Every Band must play a different March each time it competes.
- 9.—The contest is under the control of the Contest Committee and any Band not ready to participate at the appointed time will render themselves liable to be fined or disqualified.

THE BAND ASSOCIATION OF NEW SOUTH WALES

wishes to congratulate the

DUBBO CONTEST COMMITTEE

THE GUINEA MOTEL

MUSICAL ADJUDICATOR

MR. NORMAN G. GOFFIN, L.T.C.L., B.B.C.M.

Born in Scotland and emigrated to new Zealand. Commenced brass band experience at the age of seven on an Eb horn and side drum. Experience in Salvation Army bands for twenty years up to the outbreak of the second World War, when he then enlisted with the first Eschelon New Zealand Forces and served for 3½ years as deputy conductor of the Fourth Brigade Band in the Middle East. On his return to New Zealand he was the conductor of the Burnham Camp Band for two years with the rank of Lieutenant.

On resuming civilian life he became deputy conductor of the famous Woolston Brass Band under the conductorship of the veteran, R. J. Estall, M.B.E. during which time Mr. Goffin won many national awards as cornet soloist and duettist.

He toured Britain and Holland with the highly successful National Band of New Zealand in 1953 and 1962. Although normally a Bb cornet player, Mr. Goffin changed over to the Eb soprano for these tours.

Mr. Goffin is at present the conductor of the Onslow Brass Band (Wellington). This band, having won B Grade honors has now risen to A Grade.

Mr. Goffin holds a Conductor's Diploma from the Trinity College of Music and has completed all but one of the subjects for the degree of Mus. Bac. He has adjudicated on many occasions at District and National contests in New Zealand. He has had considerable experience in orchestral (symphonic) fields and choral work apart from his work in brass bands extending over 40 years.—December, 1965.

DRILL ADJUDICATOR

MR. LES LEWIS

Les Lewis has been a BBb. Bass and Bass Trombone player in various bands for the past 40 years as well as a Drum Major over the past 30 years. A very commendable record indeed.

At present he is Drill Instructor of the Campbelltown/Camden and Boys' Town Bands as well as being a registered Drill Adudicator with the Australian Band Council, a member of the N.S.W. Drill Advisory Board and a member of the executive of the Band Association of N.S.W.

Les judged at the 1964 N.S.W. State Championships and at most Group Band Contests in N.S.W.

His willingness, at all times, to advise Drum Majors (especially the young ones), on their errors, has made him a well liked personality at contests in N.S.W.

D U B B O — The Hub of the West

The town of Dubbo is situated in the Central Western division of New South Wales, 261 miles by the Mitchell Highway from Sydney. It is an important rail and road centre being the hub of a network of roads and railway lines extending to all parts of the State as well as being on the shortest direct route between Melbourne and Brisbane and Adelaide and Brisbane. It also has a thrice daily air service to and from Sydney.

The country around Dubbo was discovered in 1818 by John Oxley and was first settled in 1824 when George Palmer and John Wylde received permits to occupy two geographical miles of land adjacent to the Macquarie River. When explorer Sturt passed through the area in 1828 he recorded that 1847 head of cattle and 6,133 sheep were running on this holding so that, from its earliest days, this district has been prominent in the pastoral industry.

The site of the present town was first settled in 1841 and was proclaimed a village in 1849. In 1872 it became a Municipality, the population then being 381 compared with 16,000 today.

The district is mainly used for agricultural and pastoral purposes, supported by a large abattoir, controlled by the Dubbo Municipal Council and Stock Saleyards under the control of the Talbragar Shire Council. It is also the headquarters of the Macquarie County Council which distributes electricity throughout the west.

The town of Dubbo has developed into an important Commercial Centre, with large and modern shops, commercial offices, professional services, health and educational facilities. It is well laid out with wide tree-lined streets and extensive parks and recreational space.

A visit to Victoria Park, comprising 45 acres and situated in the centre of the town is rewarding. Included in this park, in addition to well-planned gardens, lawns and trees, are a Begonia House, Propagation House, Wishing Well, pond and fountain, an Olympic Swimming Pool, three turfed cricket ovals, twelve tennis courts, bowling and croquet greens and basketball courts.

Adjacent to the Park, in Darling Street, is the Pioneer Museum, which houses relics and records of the early days of the Community. Other sporting and recreational facilities are provided throughout the Municipality.

Dubbo possesses two bands, the Dubbo Citizens' and District Brass Band and the Dubbo District Pipe Band. It is interesting to note that as early as 1879 J. Diehl formed the Dubbo Brass Band and Orchestra and the band has continued to serve and entertain the community since that year. The Pipe Band is of considerably more recent origin, but also plays an important part in the social life of the town.

N.S.W. BAND ASSOCIATION SECRETARY

MR. LES TURNER

Mr. Les Turner, Honorary Secretary of the Band Association of N.S.W., will come to our Championships with a wealth of experience in procedure and rules for contests accumulated over many years. Mr. Turner has been Organising Secretary of the popular Rockdale Solo and Party competitions for many years and now known throughout Australia and New Zealand.

A good friend to all bands, particularly new bands and committees and there is seldom a contest held in the country areas of N.S.W. that you will not find him present to assist his delegates and organisers.

Without a doubt one of the most respected brass band administrators in Australia today.

AVERAGE BANDSMEN

Who was the "scapegoat" at the last contest in which you were amongst the losers? Not you, I venture to say.

Of course, the player who has made the obvious slips gets some of the blame, but why? An adjudicator does not always penalise a band too severely when he hears an obviously good player drop a clanger; it is often other features of the performance which explain the drops in the points.

Too often it is the absentee from rehearsals who is the real cause of the lost contest. "It will be all right on the day," is his unspoken idea on the matter, but that view frequently explains why his band's performance does not "come off."

The band movement has its quota of well known personalities, it has its lesser lights; and it has a wealth of 'average' bandsmen.

They are the individuals on whom we rely to keep the band world alive. Without the 'average' band member little would be accomplished. His calm approach to his banding is in complete contrast to the enthusiast of a short period. The 'average' one will be there when the enthusiast has become despondent.

The easy-going slacker cannot claim to be the average bandsman for he is the one who lowers the 'average' standard.

Many bands would now be defunct had they not possessed a nucleus of these bandsmen who, when the 'stars' have deserted the band, have still carried on!

Here's to the 'average' bandsman! May he be joined by many others who are now carrying 'L' plates.

Results of Street Marching will be announced immediately upon completion of the "C" Grade Test Selection at the Royal Theatre.

INSPECTION OF BANDS COMPETING IN THE DIAGRAM MARCH

Will commence at No. 1 Oval, Victoria Park at the completion of the Street March. Drum Majors who find it impracticable to be inspected at this time, due to their Bands playing in their Test Selection, are requested to arrange a suitable time with the Drill Adjudicator or the Organising Secretary.

OUR N.S.W. BAND ASSOCIATION CONTEST DELEGATES

MR. JACK HANSEN

Mr. Jack Hansen, of Sydney, is well known to most members of competing bands, possibly more so as a Drill Adjudicator than on the administrative side as a delegate. For some years the N.S.W. Band Association Delegate to the Australian Band Council, he assisted greatly in the formation of our present Drill Book and during this time became very conversant with the rules and constitutions of the A.B.C. and all State governing bodies.

Jack at present is a welfare officer, member of the Drill Advisory Board and a Life Member of the Band Association of New South Wales.

MR. KEN MYERS

Mr. Ken Myers, of Sydney, has been doing sterling work for the Brass Band movement for a number of years and was this year elected to the position of Honorary Treasurer of the Band Association of N.S.W.. Ken is also a person who has a wide knowledge of the rules so, with the combined assistance of Jack and Ken, all contest problems should be overcome.

OUR MARSHALL

Mr. Fred Hawkins, of Coonabarabran, is a well known identity in the banding fraternity of the north and north-west group of the Band Association of N.S.W. and is one of its original executive officers.

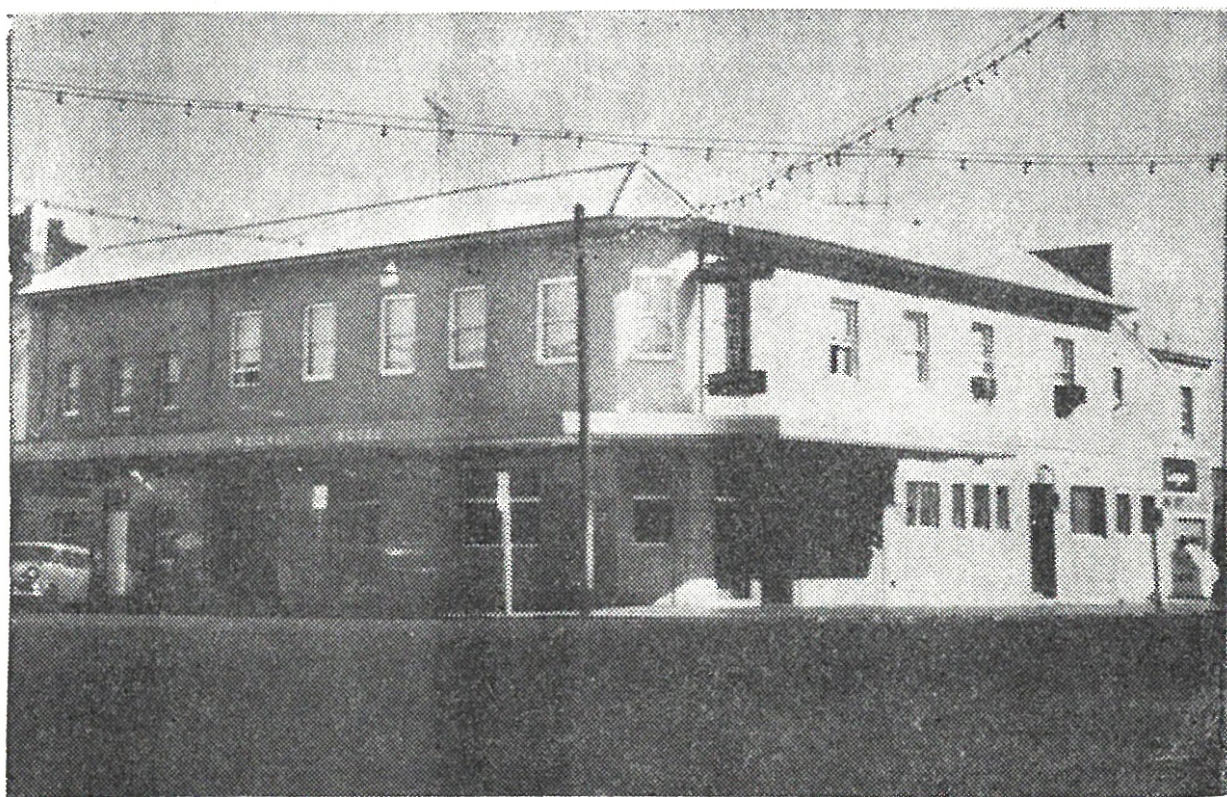

The Dubbo Contest Committee are indeed proud to welcome Fred to the 1966 Australian Brass Band Championships and feel honoured that he has accepted the position of Marshall on this important occasion.

Fred has kept the Coonabarabran Shire Band in operation for a considerable number of years and at times under adverse conditions but, nevertheless, as long as there is a Fred Hawkins, Coonabarabran will always have a band.

OUR COMPERE

Mr. Bill Rowe, of Dubbo, has been actively associated with the Dubbo Citizens' and District Band since 1946 and has served the Band as a compere, artist and committeeman at various times during this period. His jovial voice, pleasant manner and activities in the sporting world has made Bill a well known personality in Dubbo and district.

ST. GEORGE DRUM MAJORETTES

The St. George Majorettes were formed in 1961 and appeared with the St. George Rugby League 1st Grade footballers at most of their matches during the season.

They have also appeared in floorshows, etc. with Winifred Atwell, Brian Davies, Lovelace Watkins and the Pat Gregory Ice-capades.

The girls have six different uniforms, all of which are red and white and specialise in both indoor and outdoor displays.

The team to visit Dubbo for the Australian Brass Band Championships will consist of 10 girls with the average being 17 years and will be accompanied by their trainer and chaperone.

We welcome the St. George Majorettes to Dubbo and feel sure their displays will be both entertaining and colourful. Their presence could also give incentive to towns in our own district to form a team of Drum Majorettes.

We also say welcome to the Parkes Marist Brothers' School Bugle and Drum Band. These visitors will also add colour to the Championships with their brilliant displays.
