NOTICES AND INSTRUCTIONS

This Contest is held under the auspices of the Queensland Band Association and rules of the National Band Council and the Q.B.A. will apply throughout.

Bands must compete in all sections for which they have entered on the official programme.

All marching contests are compulsory.

Each Band Secretary shall collect the personal signature of each competitor on the form provided before each item at the Contest. These forms must be completed and returned to the Queensland Band Association officials before the Band may compete.

Secretaries and Conductors of Bands must observe perfect punctuality in assembling to draw for positions at times and places appointed and in placing their Bands upon the contest stage.

Each Band in its numbered order must be ready to march on before the preceding one has left the stage. Each Band, after leaving the stage, must play an item as next Band gets ready if required. The Band drawing last place will play the first Band on to the stage, the first Band will play on the second, and so on in their rotation.

The Contest Delegates reserve the right to require the competing Bands to take part in any street marching or playing they may deem desirable.

Any Band late at the drawing, or not ready to proceed with the Contest as directed by the Q.B.A. Officials, is liable to a fine or disqualification. The Delegates of the Q.B.A. have sole control of the music portion of the Contest, and all their directions must be carefully and promptly complied with.

The representatives of all of the Bands from whom places are to be drawn must present themselves at the time and place for such drawing. Any Band not present at the time appointed may not be eligible to compete. Defaulters may be fined.

Bands must be placed on stage according to formation adopted by the Australian Band Council.

All competitors must be properly dressed.

No Band shall engage in any counter attraction at the Contest without the consent of the Committee.

Winners of any event must repeat their item if called upon to do so by the Delegates.

All items will be taken in order as arranged in this programme, unless otherwise notified, but the Contest Delegates reserve the right to alter or amend the programme as required by circumstances.

Any courtesy items played during the Contest, whether at Street Marching, playing Bands on or off the platform, or at Inspection, shall not include any item that has been or will be played in a competitive number in such Contest.

All Bands must be in possession of the PALINGS HYMN SHEET and Massed Marches as selected.

Music in Diagram March and Street March will be "own choice". Bands must provide Music with Bars marked at the drawing for positions. Solo Cornet parts may be accepted for the Street March.

Competitors must conform to the commencing times as appearing in the programme.

The Adjudicator's awards for solo and party competitions will be announced as decided by the Contest Delegates. Band awards will be announced at the end of each session.

No person (other than officials) will be allowed on or about the stage during the competition.

Bands must play a minimum of two (2) verses in each hymn tune.

Each Band will be required to supply a copy of their OWN CHOICE MUSIC.

SOLO AND PARTY COMPETITORS: Any competitor in solo and party competition arriving after drawing for positions has commenced will not be allowed to compete. Competitors must play in the position drawn.

No emergency players shall be allowed in any party item.

All music which is own choice in both solo and party competitions shall be restricted to a maximum of five minutes duration. Contest Delegates reserve the right to further reduce this maximum if they deem it necessary.

Soloists and parties playing own choice music must provide a copy for the Judge, otherwise they will not be allowed to compete. All music bars must be numbered.

In any event where age qualifications applies, birth certificates must be produced to Contest Delegates on demand.

When a solo item is in progress, only the competitor in that particular item will be allowed on the stage. Solo competitors will not be allowed on the stage while the preceding item is in progress or until they are called for the purpose of drawing for places in the item in which they will compete.

Competitors may tune their instruments with the piano prior to the commencement of each respective competition. Tuning will not be permitted during a competition.

After tuning, competitors must remain where directed until called to the stage to perform.

In Junior items, competitors must be under the stated age at the date of competition.

Competitors are reminded that in each competitive item they will be judged on Deportment.

NOTE.—Test Music cannot be played as own choice music.

Caps shall not be worn when playing indoors.

Drum Majors shall wear Caps at all times.

NOTE: The drawing for the Street March will take place at Q.B.A. office, City Hall, Maryborough, at 3.00 p.m. Friday afternoon, 9th April.

Representatives must be in possession of the Music for the Judge with Bars numbered.

NOTE: The drawing for the Diagram March will take place at the Q.B.A. office, City Hall, Maryborough at 2.30 p.m. Saturday afternoon, 10th April.

Representatives must be in possession of Music for the Judge with Bars numbered.

THE JAYCEES CORNER

The planning, organising and staging of the Australian Brass Band Championships by the Jaycees is considered to be the highlight of 18 years of Jaycee activity in Maryborough. Since 1953 the Maryborough Jaycees have gained the necessary experience and training to successfully organise a Community Service venture of such magnitude by completing within the Maryborough Community many Service projects including the following :

- Supplying Street Name Signs for all streets of Maryborough.*
- Providing a Cooking Range for the Meals on Wheels Association.*
- Joined in a Combined Community Service Project to provide a new car for the Blue Nursing Service.*
- Donations of Orthopedic Bed, Humidi Crib, Air Vivas, and Croup Air Machines to the Maryborough General and St. Stephens Hospitals.*
- Donated a fully equipped trailer to the M'bro. Sub-Normal Assoc. (M'bro. Jaycee is now a Life Member of this Association).*
- Provided Memorial Fountain on City Hall Green.*
- Actively participate in the Queensland Road Safety Programme.*
- Prepared and equipped several playgrounds and parks for Children.*
- Regularly sponsor under-privileged children to National Fitness Holiday Camps.*

It is important to remember that to allow us to assist the Community to such a large extent we have relied upon and received the full co-operation of the Community of Maryborough.

Brief History of Contest Planning

This Band Committee initiated in April, 1969 when the Queensland Band Association, through Mr. Eric Jabs, approached the Maryborough Jaycees regarding the organising of this 1971 Contest.

Over the past two years Maryborough Jaycees have made an all out effort to raise the \$10,000 required for the staging of this Contest. Major Fund Raising has included :— White Elephant Sales; Art Unions; Organising of Bellbird Ball and Wine Festival; and Fabulous Mardi Gras. This fund raising was successfully completed by December, 1970, thus allowing the Committee to concentrate their efforts on organising the Programme, Accommodation and final details of the Contest.

This Australian Brass Band Contest has been a

MARYBOROUGH JAYCEES COMMUNITY SERVICE PROJECT.

We take this opportunity to extend our sincere thanks to the Business Houses, Service Clubs, Local Bandsmen, Ladies Committee, Jaycettes and the General Public for their wholehearted support in assisting us to promote our CITY OF MARYBOROUGH.
