**His Excellency Sir Zelman Cowen, A.K.; G.C.M.G.; K.St.J.; Q.C.,
Governor-General of the Commonwealth of Australia**

The organizing committee, on behalf of the Brass Band movement of Australia, expresses its sincere gratitude to His Excellency for accepting the invitation to Officially Open, on Saturday, 5th April in Mount Gambier, the 1980 Australian National Band Championships.

His Excellency, accompanied by Her Excellency, Lady Cowen, C.St.J. and their son, Benjamin, are assured of a warm and friendly welcome by the members of the bands and the people of Mount Gambier and district.

Message from the Premier, The Hon. D. O. Tonkin, M.P.

I welcome to Mount Gambier, and to South Australia all visitors.

For those people who haven't experienced the pleasures of South Australia's many attractions, Mount Gambier is your ideal introduction.

The South East generally is an area of natural beauty and Mount Gambier enhances that charm.

As such, it is the perfect venue for the Australian National Band Championships.

This competition has come about through the efforts of many people.

The South Australian Government was glad to assist financially, but essentially, it was a community effort.

Mr. Eric Roughana and his hard working committee deserve much of the credit for organising the Championships, which at the outset must have seemed a daunting task.

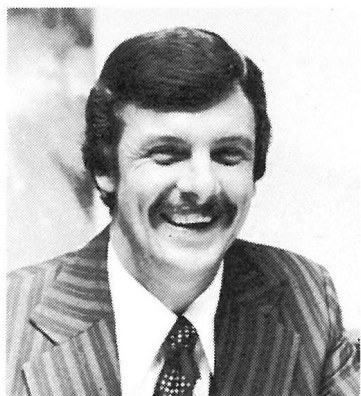

The Mount Gambier City Council, community service groups, business houses and individuals also assisted.

This city is indeed fortunate to have so many people who are willing to work together for the common good of their city and its community.

Congratulations to all concerned for your hard work and enterprise.

To all the competing bands, I convey my best wishes, and good luck.

David Tonkin, Premier

Message from the Managing Director of Rose Music Pty. Ltd.

I am particularly pleased that Rose Music/Yamaha is once again supporting the National Band Championships as major sponsor in 1980.

My Company does attach considerable importance to the Australian band movement and our commitment has recently been further strengthened through having American Music Educationalist Dr. Frank Liston join us for 12 months.

The National Championships are a great musical event and it is a tribute to the organising committee that they have been able to assemble such an array of top bands from Australia and New Zealand.

We are proud to be associated with the 1980 Championships and on behalf of Rose Music and Nippon Gakki, Japan (Yamaha), I wish all participants, the organisers and the people of Mount Gambier, good luck!

Peter G. Murphy, Managing Director, Rose Music Pty. Ltd.

A Message from the President National Band Council of Australia

I wish to thank all bandsmen for their continuing support of the National Titles. I sincerely hope that you will enjoy this one, and appreciate the amount of planning and hard work done by the Mount Gambier Committees. I offer my appreciation and congratulations to them all.

The best of luck to all bands and competitors – may you enjoy the successes you deserve.

I wish you all good health and happy Easter days during your stay in Mount Gambier and a safe return.

Fred E. Hodgkinson, J.P.

President, Life Member of National Band Council (Aust.)

Message from the President South Australian Bands Association Inc.

On behalf of all members of the South Australian Band Association Incorporated, I welcome the contestants, adjudicators, writers and visitors to the 1980 National Band Championships.

I take this opportunity to thank the South Australian Government for its continued assistance to the movement, to the donors of the various trophies, the media, the National Championships Committee (South Australia), so ably led by Mr. E. J. Roughana, and last but not least, you, the supporting public.

It is my sincere wish that everybody enjoys both the music and hospitality in Mount Gambier over the next four days.

Good luck to all the competing band persons.

Peter G. Hutchings

Message from His Worship The Mayor, Mr. A. L. Sealey

On behalf of my council and the citizens of Mount Gambier and district, I extend to all bandsmen, officials and their families and supporters a very warm and cordial welcome to our fair city for the 1980 Australian National Band Championships.

It is also with a great deal of pleasure that I welcome our overseas visitors.

For bandsmen, this week culminates many months of hard practice in preparation for this very important contest.

For families and supporters it affords the opportunity to share with the bandsmen the spirit of friendly competition through the performance of music which brings joy to the hearts of everybody.

I trust that your stay in our city will be enjoyable and beneficial. Mount Gambier is a city with a considerable amount of natural beauty and I trust that you will find time to explore the area.

I extend to the local committee, who have put in countless hours in organizing this contest the thanks of the council and their citizens, and offer my congratulations for a task well done. And I wish all bands the best of luck and may good fellowship prevail.

Arch L. Sealey, O.A.M., J.P., Mayor

Message from the Chairman of the Championships Organizing Committee

The Organizing Committee was formed in June, 1977, at a public meeting called by His Worship the Mayor, Mr. A. L. Sealey, O.A.M. and the majority of the members had no direct involvement in the band movement. Their interest was influenced by the outstanding service given over many years to this community by the Mount Gambier City Band.

The Committee was soon to learn of the complex structure of the band movement in Australia and the many details required to present these Championships to the public of Mount Gambier. It was a challenge that was willingly accepted by the members of the Committee and their support groups – the service clubs of Mount Gambier.

Financial sponsorships were essential if the Championships were to eventuate. One of the most rewarding aspects of the Committee's activities and responsibilities has been the way in which the business houses responded to the request for financial support. A list of sponsors appears elsewhere in this booklet, however, I must mention the major sponsors.

Yamaha (Nippon Gakki Co. Ltd. and Rose Music Pty. Ltd.)
The Corporation of the City of Mount Gambier
The South Australian Government

The Committee, on behalf of the band movement, sincerely thanks all sponsors for their generous assistance.

The Committee was extremely pleased and honoured that His Excellency the Governor-General, Sir Zelman Cowen, accompanied by Her Excellency Lady Cowen, agreed to officially open the 1980 Championships. This recognition of the band movement in Australia by His Excellency is most encouraging and greatly appreciated.

The Committee welcomes all Bands to Mount Gambier. We pledge our assistance throughout the Easter weekend and look forward to close liaison and co-operation in order to make your stay a pleasure as well as fruitful in competition.

YAMAHA COMBOS

Adjudicators

Mr. Ronald Hanmer, F.T.C.L.; L.R.A.M.; L.G.S.M.; L.T.C.L.

Born in Surrey, England. Became a professional musician on leaving school at 17, and plays piano, organ, clarinet, saxophone, trumpet and violin – all badly! Has always specialised in arranging and composing music, covering the whole range from jazz to classics, from string orchestras to brass bands and choirs. Best known composition in Australia is “Pastorale” – more familiar as the theme music from the old ABC serial “Blue Hills”. Very many arrangements and compositions for band, including the test piece for the Australasian National Championship in 1978, “Down Under”. This was the first time a new piece had ever been premiered in Australia, and it went on to be used later in the year as a test piece in the British National Championship at the Royal Albert Hall. Two of the earliest works to become known to brass bands were “Souvenir de France” and “Stephen Foster Fantasy”. These proved so popular the world over, that they were published for piano solo, orchestra, brass and military band. More recent band compositions include several test pieces – “Mexican Fiesta”, “Episodes for Brass”, “The Four Corners of the World” and one yet to be used in Australia – “Alice in Wonderland”, which is the test piece for “C” grade in these Championships. He has a particular love for Latin-American music – was for 30 years chief arranger for Edmundo Ros, and also stage music – for many years he arranged music for the London Palladium shows, among many others. He believes there is no such thing as good and bad music – only good and bad players!
