JERRY NOWAK

returns to Australia for his 'FIFTEENTH'

Conducting Summer School

Hunters Hill, Sydney

January 3 - 14, 2000

The Jerry Nowak Conducting Summer School is suited to Musical Directors of all levels of ability working with bands, orchestras and ensembles. Jerry is one of those rare educators who can cater for the beginner, intermediate and advanced level conductor in one school.

Jerry Nowak is a vital name in education. He is a multi-talent in the music business - performer, teacher, conductor, composer, arranger - and equally talented in many areas...choral, orchestral, concert band, stage band and marching band. He has written more than 900 published compositions and arrangements for instrumental and vocal ensembles.

Whether you have been conducting for many years or not, you will be surprised how much your ensembles can improve by using the skills taught during the course.

ABBOTSLEIGH

An Anglican School for Girls

Headmistress' Welcome

Abbotsleigh is very excited to be hosting the Australian National Concert Band Championships. We so much enjoyed the hospitality of some 25 schools and churches in England and Austria last year when our orchestra and choir were on tour that we delight in returning hospitality to other musicians.

Music making has been an important part of our lives in this school for a long time. In a school where achievement is expected and excellence is aimed for, music provides the kind of challenge that can never be exhausted. No matter how good, better beckons. Every girl can take part from beginner to A Mus A; there is room for solo performance and ensemble team work; both participation and achievement are essential. Through music we can explore history and culture and ourselves. We make friends in sharing music and music making.

All these benefits of music making are obvious to you, our guests. We look forward to three days of sharing the pleasures that come after intense preparation and expectation.

We hope you enjoy the grounds and buildings of our campus and that the facilities will be all that you need. I wish you great joy in making music together.

Judith Wheeldon
Headmistress

MESSAGE FROM THE PREMIER

As Premier and Minister for the Arts, it is a great pleasure to welcome competitors and supporters to the 1999 Australian National Band Championships.

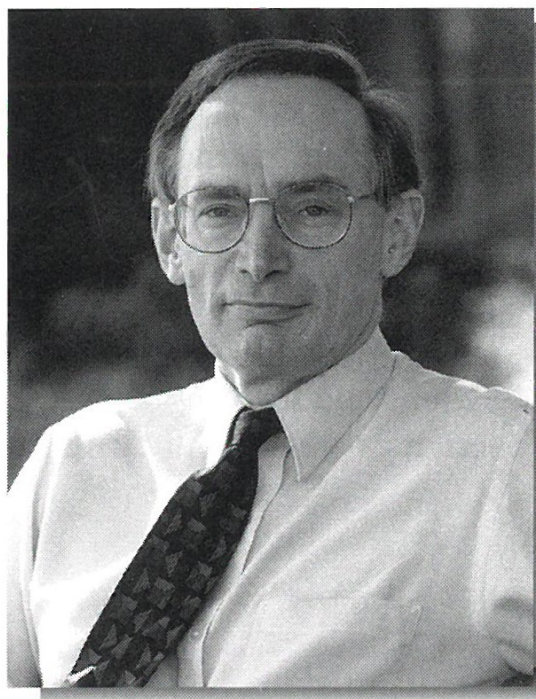

This year 41 concert bands and around 200 soloists from around New South Wales and interstate will compete in the championships and enjoy a rewarding weekend of music.

This event showcases the talent and creativity of young Australian musicians and encourages community involvement in the band movement in New South Wales. I am proud of the support that the NSW Government, through Ministry for the Arts music program, has been able to provide the Band Association of NSW over a period of years.

I congratulate the organisers of the 1999 Australian Band Championships and wish all performers taking part the very best.

MESSAGE FROM ROSS HEINZE
President National Band Council of Australia.

This year the National Band Championships take on new dimensions with the Brass and Concert Bands competing at different times in different States.

The National Brass Band Championships in Adelaide were very successful and we look forward to the Concert Band Championships being just as successful in Sydney. It is with pleasure I welcome participants from all over Australia to this National Concert Band Championships.

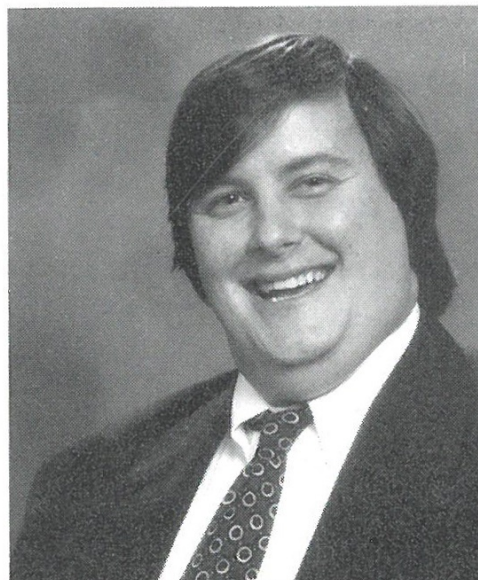

To the Band Members and Musical Directors taking part in the band events and the Soloists competing in their sections, I extend the appreciation of the National Band Council for their dedication and commitment in preparing for these Championships and in keeping the band movement alive and progressive in their locality. I also extend thanks and appreciation to the Organising Committee for their dedication and commitment in preparing and organising these Championships who together with your dedicated group of helpers will ensure the smooth running of these National Championships. At a time when there is such demand on sponsorship, a special thank you to those who have agreed to assist in sponsoring these Championships thus making it possible to stage this major event on the Band movement calendar in Australia. A special welcome to those appointed as Adjudicators for these Championships and I trust you have a rewarding experience in your deliberations. I am confident the Competitors, supporters and all those attending these Championships will be assured a most enjoyable and rewarding weekend of music.

Thank you for being part of this National Concert Band Championships in Sydney and for your continued support of Concert bands and their activities wherever they may occur.

MESSAGE FROM JONATHAN GATT
President - Band Association of New South Wales.

It gives me great pleasure to extend a very warm welcome to all Bands, Soloists and their supporters to the 1999 National Concert Band Championships. I would like to extend my appreciation to the Contest Organising Committee for 18 months of toil and hard work in making these Championships a success. Organising Committee Chairman, Robert Bedwell, in particular, is to be congratulated for co-ordinating the Committee and for ensuring that no stone was left unturned in the

preparation of the contest; Phil & Mary Mead were, as usual, tireless in their efforts and contribution; and Beth Moloney was superb in handling the most unwanted but most necessary job - sponsorships, advertising and trade stands. Thanks also to Roger Kearin for his contribution and agreeing to perform the task of Chief Supervisor.

I would like to thank all our sponsors, advertisers and trade stand members who, through their individual and collective financial support have helped make this contest possible.

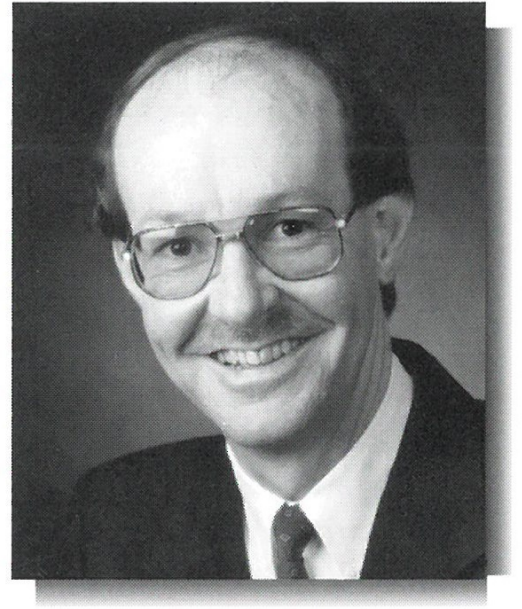

A special welcome and message of thanks to all our Adjudicators, Accompanists and interstate NBC visitors for the weekend. Also special thanks to all the volunteers who have donated their valuable time on the contest days to make the contest a huge success. Their efforts are greatly valued and appreciated.

Thank you for being a part of the 1999 National Concert Band Championships. I wish all competitors well and trust that you will have a most enjoyable and memorable weekend

MR. RUSSELL HAMMOND A.Mus.A, ALCM.
Adjudicator

Russell Hammond was raised in Tasmania where he received his first musical training as a pianist and a brass player. In 1961 he moved to Melbourne where he continued his involvement in the British Brass Band scene, specialising in brass and percussion playing. It was not until the early seventies that he “discovered” the concert band.

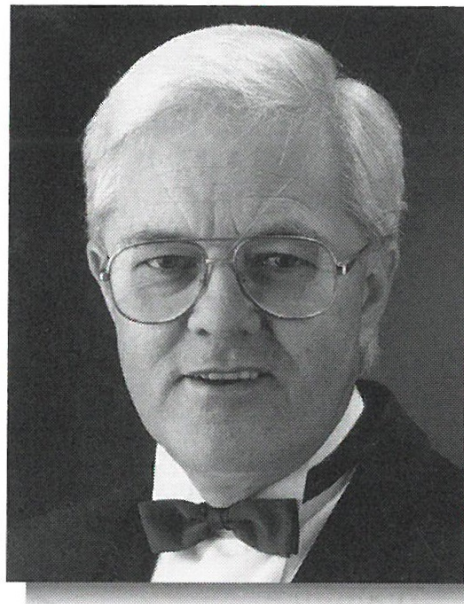

His career path took him into the field of aviation where he undertook many innovative projects while continuing to participate in amateur music making. He became a music teacher with the

Russell has been at the forefront of the development of the wind band movement in Australia. He conducted the Melbourne University Wind Symphony for five years and introduced most of the standard band repertoire to Australia.

He is the Founder, President and Musical Director of the Australian Winds, an organisation responsible for the Australian Wind Orchestra, the Australian Youth Wind Orchestra, and the National Children’s Wind Orchestra of Australia. MESSAGE FROM ROBERT BEDWELL

Chairman - Australian National Band Championships Organising Committee 1999.

On behalf of the Band Association of New South Wales , welcome to the 1999 Australian National Concert Band Championships.

When New South Wales took up the opportunity to host the National Championships, our Committee was chaired by the then President Mr. Ken Luzzi. Regrettably Ken passed away and the baton was passed to me with great trepidation. Ken is surely missed by all committed to banding.

As Chairman of the Organising Committee I have been fortunate to be surrounded by a small team of dedicated people. The team undertook to make sure this event proceeds without any difficulties and that we produce a contest that all will be proud to have attended and participated in many and varied capacities, be they competitors, adjudicators, writers, volunteers, catering people and of course, our valued audience.

We are indeed fortunate to have secured Abbotsleigh Girls' School as the venue for the Championships. I am sure you will enjoy the atmosphere, halls and surrounding grounds. It is a wonderful setting to spend an Autumn weekend making music. (I trust the rain stays away).

Finally, I would like to take the opportunity to single out for special mention some people amongst those who have worked tirelessly in preparing the Championships, an enormous task and we feel will be most rewarding as we savour the fruits of our labour of love.

Mary and Phil Mead, "great ambassadors" to the banding movement in general and we are blessed that they are here in Sydney. They have been a great personal support in guiding me and making sure that all areas were adequately covered. Organising trophies, preparing and setting the programme, organising administration, organising volunteers, and just imparting the knowledge of their past experiences has seen a significant burden lifted from my shoulders. Thank you Mary and Phil, words of appreciation are not enough.

Beth Moloney, despite giving birth to a future instrumentalist, took to the task of chasing, organising, and following up advertisers and stall holders for the Championships. This is no mean feat and Beth was a veritable terrier in her pursuits. Thank you Beth, your contribution is outstanding.

There are many "behind the scenes" people" who have contributed and I am indebted to their efforts as well.

Be assured that the Organising Committee has endeavoured to present an unforgettable event for band devotees from near and far. Enjoy yourself - to the Champions Congratulations - to those who have not achieved this goal, I hope that you have enjoyed the experience, performed to your highest standard possible and will be encouraged to gather again in the future and expressing yourself in one of life's great gifts - MUSIC!
