Welcome from the NBCA President

On behalf of the National Band Council of Australia I bid all bands, soloists and supporters welcome to the 2008 Australian National Band Championships, Brisbane.

The 2008 Nationals Organising Committee installed by the Queensland Band Association has once again secured excellent performance facilities, a team of well credentialed International/National adjudicators as well as having prepared an outstanding programme of events. We welcome bands from across the Tasman; New Zealand bands have for a great many years participated in the Australian National Band Championships and additionally there is a concert band from Canada participating. Having had bands from Germany and Japan in recent years as well, the Australian National Band Championships is truly an international event,

In 2006 the Queensland Band Association hosted the Australian National Band Championships and has taken charge once again in 2008 due to extenuating circumstances. I congratulate the Queensland Band Association, chaired by President Dr. Noel Cassels and their Nationals Organising Committee, chaired by Geoff Fry and administered by Nev Fry on the effort and enthusiasm they have extended in preparing for this event. There has been a tremendous amount of work done in liaising with all state governing bodies with regard to registrations, confirming the own-choice music is within the set criteria and timetabling of events are time consuming tasks. However, with a dedicated team of people who have taken on their respective roles with enthusiasm and in the time honoured spirit of banding, all who participate in the Australian National Band Championships, Brisbane, should enjoy the experience. As well as the Organising Committee, comprising members of the Queensland Band Association, there are many other people who will contribute in many fields.

You will see many volunteers at the various venues performing many duties, stage crew, front of house, door-keepers etc. Without a significant number of volunteers these championships could not take place. To the volunteer teams – “we salute you” and thank you for your valued participation.

In conclusion, I trust each and everyone of you enjoy your time in Brisbane, renew acquaintances, make new friendships, enjoy high quality music and to the contestants I wish you luck and may your performance reflect your commitment.

Robert A Bedwell
President National Band Council of Australia

Welcome from the QBA President

On behalf of the Queensland Band Association I extend a very warm welcome to all bands, soloists, supporters and friends to these Australian Band Championships. This year we have over 60 bands and 400 soloists competing. Not only do we have bands from Queensland and interstate attending but we have pleasure in hosting bands from New Zealand and Canada as well.

Our organising committee, chaired once again by Geoff Fry, has worked tirelessly to make this a successful contest. It has been a magnificent achievement as the committee undertook this task only some months after winding up the 2006 Nationals. I'm sure they will be pleased and relieved to see these years of hard work coming to fruition. Neville Fry accepted the position of Championship Administrator to which he has brought years of experience as a school Principal. I know that all events will proceed smoothly with all the planning and expertise of the committee.

Our Chief Adjudicators are from the UK [Prof Stephen Roberts]; New Zealand [Peter Adams]; and Queensland [Dr Peter Morris, John Thomas, and Barrie Gott]. Once again we have assembled a team of respected musicians and adjudicators and I trust that they too will enjoy this competition and their time in Australia.

Pam Schryver has organised a magnificent Gala Concert for us to enjoy, featuring Carl Riseley, "Alaska Brass" from the United States Air Force Band of the Pacific, and the Australian Army Band Brisbane. "It's a Date" should be a sellout concert!

Finally not only must I recognise and praise all the work of the local committee, adjudicators, accompanists, officials, and volunteers but I say a big "thank you" to all our sponsors, both major and minor for without them there would be no contest. I also recognise formally the contribution made by the United States Air Force in flying their brass players by commercial aircraft to our land.

Please enjoy the championships, our city and environs and have fun, fellowship and much camaraderie.

Professor Stephen Roberts – United Kingdom

ARCM, BMUS, MA, PHD

website: www.tanglewindmusic.com

Stephen Roberts is a British composer, arranger, conductor and teacher, with a particular reputation in brass circles. His first musical studies were with composer Sir Harrison Birtwistle, who encouraged him to take up the horn. He then studied at the Royal College of Music with hornist Alan Civil and gained a PhD in composition at the University of Birmingham.

For twenty years he was the hornist with the Fine Arts Brass Ensemble, with whom he gave over two thousand concerts and broadcasts in sixty countries. He was also responsible for arranging much of the group's repertoire, which is now played and recorded by ensembles around the world. His repertoire of arrangements has been featured on over a hundred CD recordings.

During his performing career Roberts also had the distinction of playing with nearly all of the UK's top orchestras, from the BBC Big Band to the London Symphony, as well as hundreds of commercial recording sessions.

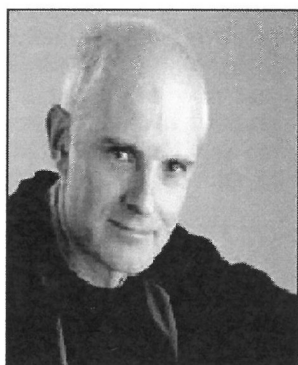

His involvement with brass bands began in 1980, when he became Musical Director of the Jones & Crossland Band, enjoying exceptional success in contests. He subsequently became MD of the Desford Colliery Band, with whom he is still associated as a guest conductor. He has also been a guest conductor with just about all the top bands in the UK and his arrangements for brass band are now played worldwide. Roberts' version of Holst's Planets Suite (recorded by the Black Dyke Band) was chosen for the British Open Brass Band Championships of 2003, at which he was one of the adjudicators.

Recently, Roberts composed and conducted the theme and incidental music for the six-part Carlton TV series "The Real Brassed Off" featuring the Desford Colliery Brass Band. This was made into a feature album by EMI Records.

Roberts is also developing a reputation as a composer of orchestral and wind band music. Recent works for the BBC Symphony Orchestra, the Britten Sinfonia, the Kosei Wind Band and others have been broadcast on BBC Radio. The recent premiere of his *Sinfonia for Brass, Percussion & Strings* by the BBC National Orchestra of Wales (a BBC Radio 3 commission) was met with considerable critical acclaim and is scheduled for future performances.

In 2002 Roberts was appointed Professor of Music at the Royal Military School of Music, London, and he has also held other academic positions with the University of Birmingham (as lecturer in conducting, composition & orchestration) and Birmingham Conservatoire (as professor of horn). In 2004 Roberts was appointed Associate Conductor of the English Symphony Orchestra and he also undertakes conducting engagements in Europe, most recently at the Zurich Festival, Switzerland, with the Zurich Chamber Orchestra.

Peter Adams - New Zealand

M.Mus Mus. BHons 1st Class FTCL LRMS LTCL

Peter Adams is a Senior Lecturer in the Music Department of Otago University, Dunedin, New Zealand. Peter was educated in Dunedin, completing a Mus.B with 1st class Honours in 1981 majoring in composition, conducting and clarinet performance. A Commonwealth Scholarship took him to London and King's College where he completed a M.Mus in Theory and Analysis and studied clarinet with Georgina Dobree and conducting with John Carewe.

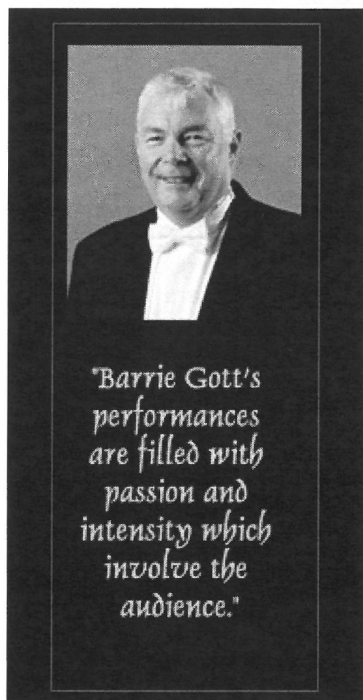

Since returning to Dunedin to take up his post at the university, Peter has built up a fine reputation as a conductor and musical director working all around the country. He was musical director of the City of Dunedin Choir for ten years from 1987 to 1996; performing nearly fifty concerts of the major choir and orchestra repertoire. He has been musical director for four Opera Otago productions and five university opera productions.

His involvement with brass bands began in the 1980s in Surrey, England conducting a village band at weekend fairs where the band was always positioned near the beer tent! Since then, Peter has conducted Dunedin's "A" grade brass band St Kilda Brass on many occasions in contests and concerts in a relationship that has lasted over sixteen years and seen the band rise to be one of the top ensembles in Australasia.

As a guest conductor Peter has given many public concerts with the Dunedin Sinfonia, the New Zealand Chamber Orchestra, the Da Capo Chamber Orchestra of Christchurch, the Viva Chamber Orchestra of Nelson, the Invercargill Sinfonia, the South Island Youth Orchestra, the Dunedin Youth Orchestra, the Kaikorai Brass Band and the Otago/Southland Youth Band.

Peter is active as a composer, arranger and adjudicator (he has adjudicated nearly every district contest in New Zealand, the 2007 Queensland contest, and three times at the New Zealand National contest) and still occasionally blows the cobwebs out of his clarinet to perform in chamber music recitals! His most recent composition *Concerto Burlesca* for violin and brass band received its first two performances in August, 2007.

Barrie Gott - Queensland

Barrie Gott (b.1947) began his music career as a professional musician, studying trumpet with John Robertson and Harry Larsen at the Sydney Conservatorium of Music. He subsequently joined the National Training Orchestra and was a regular casual player with the Sydney Symphony Orchestra. He also played as a commercial player in Sydney, Los Angeles and Brisbane backing artists such as James Morrison, Kenny Rogers and Petula Clark, also working in studios such as Alberts, Oceanway and Martinsound. He has also been a regular arranger and player for the Lord Mayor's Christmas Carols.

Barrie holds performance diplomas from the AMEB, Trinity College of Music, London and a Masters degree in conducting from Azusa Pacific University in California where he studied with Dr. Gary Bonner. He has also studied composition and arranging at the Sydney Conservatorium of Music with Ross Edwards and Don Banks. Other conducting studies were taken with Robert Miller.

Barrie has taught at all levels of education in private and government sectors and was Director of Instrumental Music at Azusa Pacific University.

He has also directed musicals such as *Bye Bye Birdie*, *Chicago* and *Little Shop of Horrors*. His classical repertoire includes major symphonic works both instrumental and choral having performed the

Verdi Requiem, Messiah and Rutter's Gloria on several occasions. Barrie has served as music director for Salvation Army bands in Sydney, Pasadena and Brisbane as well as the Brisbane Excelsior Band where he was successful in bringing a new dimension into concert programming.

As a composer and arranger Barrie is published in Australia, United States, Great Britain and Europe and his works are on concert programs all over the world. He is a regular contributor to the Standard of Excellence repertoire for beginning concert bands in the education system.

Barrie is also an adjudicator for contests, festivals and eisteddfods throughout the world having officiated at regional, state and national contests in Australia and overseas in Norway and New Zealand and is a state examiner for the AMEB. Barrie was the recipient of the 2004 Frank Wright Medal for services to banding in Australia.

Dr Peter Morris – Queensland

Dr Peter Morris was appointed Conductor of the QYO Wind Symphony in January 2007 and he is also the Director of Music at Villanova College in Brisbane.

Peter has held university teaching positions in America at UCLA, the University of Houston and Colorado State University, where he conducted instrumental ensembles, taught courses in Instrumental Conducting, Brass and Music Education, and lectured in Music Business

and Entertainment Management. He currently lectures in Instrumental Conducting at the Queensland Conservatorium, Griffith University and assists with their post-graduate conductors.

Peter received his Doctor of Musical Arts and Master of Music degrees from UCLA in Instrumental Conducting, studying with Dr. Thomas Lee. During his post-graduate studies at UCLA, he was employed as a Teaching Fellow, and spent much of his time in the university's renowned Center for the Digital Arts. At this facility, he undertook innovative projects working on film scores with animation, the cross-disciplinary programming of music with silent film, and the study of conducting film music with Hollywood composers, including Jay Chattaway and Jerry Goldsmith.

Peter has performed internationally on trumpet in a wide variety of genres from Baroque orchestras to commercial session work in Los Angeles. He has played professionally in orchestral and stage productions, including *The Phantom of the Opera* in Sydney, and the Australian revival production of *South Pacific* on tour in Asia. He was a session player in Los Angeles for commercial recordings as well as orchestral playing, and has complemented this by playing in jazz, funk, salsa and swing bands.

Peter has been a clinician and adjudicator with many schools throughout the United States, Australia and Asia and he is sought after as an adjudicator and guest conductor for young musicians. In August 2006, he was one of the invited workshop delegates for the National Review of School Music held in Melbourne by the Australian Music Association.

Townsville Citizens Band Association sponsor of the Open Baritone Section in Honour of Mr. Peter Alloway

Peter Alloway is a life and foundation member of the Townsville Citizens Band Association formed in 1947 following the war. His banding career spans beyond that time however and includes numerous solo and band championships on Baritone, whilst as a conductor he directed senior and junior bands often simultaneously to state and national success, culminating in raising Townsville Brass to A Grade and a creditable 2nd place in the state championships at the first try in 1980. Many of Peter's hundreds of students have gone on to solo and professional musical success.

Peter devoted the majority of his life to teaching, playing, conducting and administration and fund raising for Townsville Brass and had it not been for his drive, enthusiasm and single minded devotion, the Townsville Association would not have the excellent facilities or musical culture that it enjoys today.

Ye Olde Brass
RSL Memorial Band Redcliffe Inc

The Ye Olde Brass RSL Memorial Band Redcliffe Inc was formed 28 years ago by 7 senior brass players who resided in the Redcliffe area. It has now grown to a full brass band with the average age of players being over 70. We perform concerts for senior citizen groups and entertainment for residents of Nursing Homes in the Redcliffe, Caboolture, Bribie Island and the northern suburbs of Brisbane. Due to our attachment to the Redcliffe RSL we also perform at all of their Memorial Services as well as some Services for other RSL Groups in the area. Over the past few years we have averaged 60 such concerts and memorial services each year.

The band members give freely of their time and transport cost for these concerts. Most of the members now come from the Redcliffe area however we do have members who travel from the Sunshine Coast, Bribie Island and Brisbane Northern Suburbs. Some of our players are retired musicians from the armed services. At present our Musical Director is Mr John Muller (formerly of Toowoomba and Townsville) who is ably assisted by Mr Ross Gilbert. The band rehearses at the Mary McKillop Community Hall, Morris Road, Rothwell a suburb of Redcliffe most Wednesday afternoons commencing at 1.00 PM. New members and visitors are most welcome.

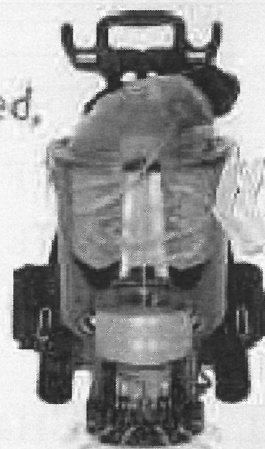

Music played by the band is wide and varied from light classical to popular modern pieces and of course plenty sing-a-long tunes which are well received by our audiences.

In 2007 the Band was presented with an Australian Government Volunteers award for our service to the elderly

Kontemplating a Kiwi Experience?

CONCERT BANDS: Ever thought of touring New Zealand? What about one of the many Festivals or a School Exchanges, such as **The Hawkes Bay Festival** April 2008, or the **KBB Music Festivals** Auckland 26-28 August. We are also agents for the **MUSE Concert Band Festivals** in Singapore (July/August 2008) and the **Beijing Festival** (June 2008/2009)

BRASS BANDS: Have you booked for **Christchurch Contest** in July yet? Why not come on over to **Napier** the week after your 2009 contest?

Being part of New Zealand's biggest travel chain gives me tremendous buying-power for all arrangements including accommodation, flights and coach charters. I'm not affiliated to any one airline either, so I can aggressively negotiate special group rates on flights. I can get the best possible rates AND PASS THESE ON TO YOU for accommodation and coach transfers (no affiliation, so we get the best deal to suit you). I can also help with rehearsal venues.

Just Leave it to me... **Give me a call now and take full advantage of those early-bird bookings ...** (We don't need names, just approximate numbers)
