# Welcome from the Governor of Victoria

It is my great pleasure to welcome you to the 2012 Australian National Band Championships. Victoria has a rich history of banding both in metropolitan and regional areas and we are proud to once again have the opportunity to host this important contribution to Victoria's cultural identity.

Since its foundation, the Australian National Band Championships has grown in size and prestige to become the premier banding contest in Australia. It presents an annual opportunity for brass and concert bands, small ensembles and soloists to perform and be adjudicated at the highest level in Australia. It is a demanding test for musicians and one which grooms them for the ongoing challenges of national and international performance.

I wish all competitors much success as you compete in your various sections. You should feel much pride and satisfaction as you reap the rewards of many weeks of hard work, practise and rehearsals. I have no doubt that the quality of the performances will – as in past years – exceed expectations and that adjudication will be difficult.

I congratulate the Victorian Bands League on its expert organisation of this event. I also extend sincere thanks to all the volunteers whose tireless efforts make this event possible.

The Honourable Alex Chernov AC QC

*Governor of Victoria, Patron-in-Chief*

# Message from the President of the National Band Council of Australia - Dr Kevin Cameron

On behalf of the Executive and Councillors of the National Band Council of Australia, I would like to extend a warm welcome to all performers, friends, and supporters of banding to Melbourne for the 2012 Yamaha Australian National Band Championships. I would also like to welcome our team of highly qualified and experienced chief adjudicators Mr Peter Walmsley OAM and Major Graham Lloyd.

Once again, the banding movement comes together at Easter to celebrate the commitment, participation, and fellowship of banding. There will be particularly strong field of competing bands in all grades and this promises a most memorable and exciting time for all concerned. In addition to the on stage performances, we will see a colourful Parade of Bands at the iconic St Kilda foreshore and fantastic individual and small group performances in the Solo and Party events. In addition, it will be those personal interactions and experiences that will stay in our memories – catching up with old friends, sharing stories, and enjoying the camaraderie of others who love banding and all the wonderful aspects that come to us from our involvement in banding.

I would like to extend grateful thanks and congratulations to the Victorian Bands League and the 2012 Nationals Organising Committee for undertaking the considerable task of arranging this contest. The contribution of volunteers in time, expertise, and goodwill is the key basic ingredient of banding and has again produced a marvellous result. I would also like to record grateful thanks to Yamaha Australia and our many sponsors and in-kind supporters who have so generously assisted in providing the necessary resources to stage this contest and the surrounding events. To all those who have contributed both in the long preparation and throughout the course of the weekend – thank you.

Attending the Nationals is a major undertaking for participants requiring a significant commitment of time, resources, and preparation. I hope that your time in Melbourne this Easter is both enjoyable and memorable. Let the music begin!

Dr Kevin Cameron

## Message from Yamaha - Cameron Tait

On behalf of Yamaha I would like to welcome all the bands, conductors, adjudicators, soloists, supporters and friends to the Yamaha National Band Championships. We are extremely proud to be here in support of the event and in support of the Victorian Bands League. At Yamaha we are passionate about our commitment to education, brass bands and professional musicians, and we look forward to hearing the results of your hard work in the coming days.

The Australasian brass band movement continues to benefit as a result of Yamaha's highly successful Xeno and Neo band instrument international development program. We (arguably!) have the best cornet, tenor horn, euphonium and BBb tuba on the market. Further developments, currently in their final phase include both the Eb tuba and the baritone, anticipated for release early next year.

Yamaha Music Australia authorised dealers are undoubtedly the best music retailers in the country and are providing the full range of new and highly successful Yamaha instruments with the all-important back up service and support. You are warmly invited to visit us in the foyer; bring your mouthpiece/reeds and take advantage of the opportunity to test the widest selection of custom instruments in the country.

Warm regards, Cameron Tait

He lectures at various music institutions including Melbourne University's Music Faculty.

## **Adjudicator** Bill Broughton

Bill Broughton began his career as a studio musician in 1968 and soon was playing trombone for most of the television and motion picture studios in Hollywood. Some of the television shows are "Bonanza," "Gunsmoke," "Little House On The Prairie," "Kojak," "Police Woman," "Hawaii 5-0," "The Incredible Hulk," "Scoobie-Doo". Some of the motion pictures that Bill has played on are "Jaws 2," "The Godfather II", "Honey I Blew Up The Kid," "Homeward Bound," "For Love Or Money," (featured soloist), "Baby's Day Out," and "Miracle On 34th Street", "Homeward Bound II" (Lost In San Francisco), to name a few.

In 1991 Bill was composer/music director of the international Miss World competition in Atlanta, Georgia. and in 1994, Intersound International produced eight albums entitled The Magic of The Movies with Bill as artist and conductor and they were released nationally in the USA. The titles of the albums are: The Great Epics, Final Frontier, Music For Murder, War Is Hell, Wild Wild Westerns, Sex and Seduction, Heartstrings and Fine Romance. 1994 also marked the release of two Jazz albums featuring Ten Trombones and Rhythm with Bill as performer and arranger. Billboard magazine gave Spiritual To The Bone 1 & 2 a great review and it they acclaimed internationally.

In 1996, Bill was the Music Director for the opening and closing ceremonies for the 1996 Atlanta Paralympics Games. His responsibilities included writing original music as well as conduct and oversee any and all music production for the event.

Bill's brass band compositions and arrangements have been played and/or recorded internationally for many years. His Flugel Horn Concerto "Trilogy" was the open contest piece for Flugel Horn at National Comps in Brisbane, a few years ago In June 2011 at the International Staff Band of the Salvation Army 120 anniversary Bill had two of his arrangements performed at the Royal Albert Hall Concert, one by the Melbourne Staff band and one as a massed band performance with New York, Chicago, Canadian, Japanese, German, Amsterdam, Melbourne and International Staff Bands.

Moving to Australia in 2003, Bill gained permanent residency and then became an Australian citizen in 2006 Bill (composer/artist/ conductor/producer/author/motivator) spends his time composing and arranging commissions for various genres in Orchestra, Concert Band, Brass Band, Big Band and other musical groups. He was, from 2003-07, part-time lecturer at Adelaide University Elder School of Music with large and small ensembles, composition/arranging, film scoring, one to one tutoring and brass masters classes. He still produces his own solo and other CD's, also travels interstate lecturing at other schools, performing as conductor and soloist, adjudicating, as well as giving motivational presentations. He has written and published two books, both being inspirational in content.

## **Adjudicator** - Bruce Armstrong

The key person in any brass band is the Musical Director or Bandmaster. The success or otherwise of a band is directly attributed to the musical skill, organisational abilities and dedication of its musical director. The Warragul Band are fortunate to have the services of one of the best in the land. Bruce Armstrong, commonly known amongst banding circles as 'Mr A'.

Born in Hay NSW, Bruce spent his childhood at Bendigo in central Victoria. The Armstrong family were generally musical with the previous three generations producing singers of some renown. Mr "A" commenced his musical career as a choir boy but was given the 'boot' at a tender age after being caught fighting in the choir stalls. He began learning cornet with the Bendigo Citizens & Boys Band (now Strathfieldsaye) at age nine. He is now a life member of that band as well as Warragul Municipal. Whilst at Bendigo he became principal trumpet player with the Bendigo Concert Orchestra and at the same time had his own 8+ piece dance band.

In 1963 he left Bendigo for Melbourne and two years of teacher training. Whilst there he played solo cornet with the Kew Citizens Band, an association which continued until 1968. He competed as a soloist, in small ensembles and in band contests for many years, with the view that competing provides feedback on performance, and is directed at improving rather than winning.

He has provided many hundreds of people with a love of music, a sound basic education in its production and a lifetime of interest.

# Drill Adjudicators

## Chief Drill Adjudicator - Ben Fixter

After completing a Bachelor of Arts (Music) in 1995 at the University of Southern Queensland, Ben was employed as an Instrumental Music Instructor at several schools in Central Queensland for 4 years. He attained his Trinity College Licentiate Diploma (performer) on trumpet in 1996.

After serving in Army bands in Sydney, Canberra and Townsville, Ben is now an instructor at the Defence Force School of Music in Melbourne.

Ben has been an active member of brass bands since 1985, and during this time has performed duties as both a music and drill adjudicator at local, state and national competitions. He also boasts successes as a performer, Music Director and Drum Major.
